New Contexts of Canadian Criticism Ajay Heble,Donna Palmateer Pennee,J.R. Struthers,1997-04-18 Times change lives change and the terms we need to describe our literature or society or condition what Raymond Williams calls keywords change with them Perhaps the most significant development in the quarter century since Eli Mandel edited his anthology Contexts of Canadian Criticism has been the growing recognition that not only do different people need different terms but the same terms have different meanings for different people and in different contexts Nation history culture art identity the positions we take discussing these and other issues can lead to conflict but also hold the promise of a new sort of community Speaking of First Nations people and their literature Beth Brant observes that Our connections are like the threads of a weaving While the colour and beauty of each thread is unique and important together they make a communal material of strength and durability New

Contexts of Canadian Criticism is designed to be read to work in much the same manner **Toward Defining the Prairies**
Robert Wardhaugh, 2001-04-30 New ways of thinking about literature and history have radically changed how we think about or even define a region like the Prairie West In fact the very concept of defining has come into question by new theoretical approaches and it may now seem a hopeless endeavour But the process of defining can be just as important as the actual production of a definition **Toward Defining the Prairies** highlights recent approaches to thinking about the Prairie West Bounded by pieces from well known historian Gerald Friesen and Governor General's Award winning writer Robert Kroetsch these 13 essays are as diverse as the region itself In their examination of different aspects of Prairie history literature climate society culture and identity they help to provide a new understanding of this place and of the complexities of its definition
