Nathaniel Hawthorne in His Time James R. Mellow, 1980 Hawthorne Brenda Wineapple, 2012-01-11 Handsome reserved almost frighteningly aloof until he was approached then playful cordial Nathaniel Hawthorne was as mercurial and double edged as his writing Deep as Dante Herman Melville said Hawthorne himself declared that he was not one of those supremely hospitable people who serve up their own hearts delicately fried with brain sauce as a tidbit for the public Yet those who knew him best often took the opposite position He always puts himself in his books said his sister in law Mary Mann he cannot help it His life like his work was extraordinary a play of light and shadow In this major new biography of Hawthorne the first in more than a decade Brenda Wineapple acclaimed biographer of Janet Flanner and Gertrude and Leo Stein Luminous Richard Howard brings him brilliantly alive an exquisite writer who shoveled dung in an attempt to found a new utopia at Brook Farm and then excoriated the community or his attraction to it in caustic satire the confidant of Franklin Pierce fourteenth president of the United States and arguably one of its worst friend to Emerson and Thoreau and Melville who unlike them made fun of Abraham Lincoln and who also unlike them wrote compellingly of women deeply identifying with them he was the first major American writer to create erotic female characters Those vibrant independent women continue to haunt the imagination although Hawthorne often punishes humiliates or kills them as if exorcising that which enthralls Here is the man rooted in Salem Massachusetts of an old pre Revolutionary family reared partly in the wilds of western Maine then schooled along with Longfellow at Bowdoin College Here are his idyllic marriage to the youngest and prettiest of the Peabody sisters and his longtime friendships including with Margaret Fuller the notorious feminist writer and intellectual Here too is Hawthorne at the end of his days revered as a genius but considered as well to be an embarrassing puzzle by the Boston intelligentsia isolated by fiercely held political

loyalties that placed him against the Civil War and the currents of his time Brenda Wineapple navigates the high tides and chill undercurrents of Hawthorne's fascinating life and work with clarity nuance and insight The novels and tales the incidental writings travel notes and children's books letters and diaries reverberate in this biography which both charts and protects the dark unknowable core that is quintessentially Hawthorne In him the quest of his generation for an authentically American voice bears disquieting fruit Nathaniel Hawthorne, 1967 *Hawthorne in His Own Time* Ronald A Bosco, Jillmarie Murphy, 2007-06 At his death Nathaniel Hawthorne 1804-1864 was universally acknowledged in America and England as the Great Romancer Novels such as *The Scarlet Letter* and *The House of the Seven Gables* and stories published in such collections as *Twice Told Tales* continue to capture the minds and imaginations of readers and critics to this day Harder to capture however were the character and personality of the man himself So few of the essays that appeared in the two years after his death offered new insights into his life art and reputation that Hawthorne seemed fated to premature obscurity or at least permanent misrepresentation This first collection of personal reminiscences by those who knew Hawthorne intimately or knew about him through reliable secondary sources rescues him from these confusions and provides the real human history behind the successful writer Remembrances from Elizabeth Peabody Sophia Hawthorne Oliver Wendell Holmes Ralph Waldo Emerson Bronson Alcott Rebecca Harding Davis and twenty others printed in *Hawthorne in His Own Time* follow him from his childhood in Salem through his years of initial literary obscurity his days in the Boston and Salem Custom Houses his service as U S Consul to Liverpool and Manchester and his life in the Anglo American communities at Rome and Florence to his late years as the Great Romancer In their enlightening introduction editors Ronald Bosco and Jillmarie Murphy assess the postmortem building of Hawthorne's reputation as well as his relationship to the prominent Transcendentalists spiritualists Swedenborgians and other personalities of his time By clarifying the sentimental associations between Hawthorne's writings and his actual personality and moving away from the critical review to the personal narrative these artful and perceptive reminiscences tell the private and public story of a remarkable life **Nathaniel Hawthorne in His World** Carolyn Kane, 1973 **The Complete Works of Nathaniel Hawthorne** Nathaniel Hawthorne, 2022-11-13 The Complete Works of Nathaniel Hawthorne is an indispensable compendium that showcases the literary genius of one of America's most celebrated authors Spanning diverse genres including novels short stories and essays this collection encapsulates Hawthorne's masterful command of language and his profound explorations of complex themes such as morality sin and the human condition His distinctive use of symbolism and allegory crafts rich narratives that reflect the social context of 19th century America intertwining psychological depth with the supernatural Nathaniel Hawthorne born in 1804 in Salem Massachusetts was profoundly shaped by his Puritan heritage and his ancestral connections to the Salem witch trials These influences permeate his works leading him to probe the darker aspects of human nature and societal conventions His experiences including his tenure as a customs officer and his friendships with literary contemporaries such

as Herman Melville contributed to his unique stylistic evolution culminating in narratives that challenge readers to contemplate the interplay between fate and free will For those seeking to delve into America s literary heritage The Complete Works of Nathaniel Hawthorne is essential reading It offers a profound insight into the mind of a writer who deftly navigated the complexities of his time making it an enlightening addition to any literary collection Time's Portraiture Nathaniel Hawthorne,2015-05-17 Being the Carrier s Address to the Patrons of The Salem Gazette for the 1st of January 1838 *On Hawthorne* Edwin Harrison Cady,Louis J.
