Pesky and Pete Joan Dee,2001-09 Pauli nicknamed Pesky by his older brother is a boy of four living in the North Dakota prairie in the 1920 s Because he needed a friend he chose a small piglet The book is a glimpse of the two s antics **Pesky and Pete** Joan Dee,2001-09-01 Pauli nicknamed Pesky by his older brother is a boy of four living in the North Dakota prairie in the 1920s Because he needed a friend he chose a small piglet The book is a glimpse of the pair s antics **Never These Men** Thomas Porky McDonald,2006-05-03 Certain individuals find a singular moment in life used to portray them and or define them if not basically brand them In the world of sports particularly baseball this practice is raised to a level that is questionable at best laughable in most instances and blatantly unfair as a rule The sports media along with a growing portion of the general public that refuses to form their own opinions goes to extremes to constantly relive an individuals weak moments Curiously they often then close their ridiculing diatribes by mentioning that labeling a particular person is really unfair In **Never These Men** Thomas Porky McDonald whose previous works stressed the notion that a game like baseball is there for the joy it gives to those who truly love it and understand it takes a peek at a small collection of the most famous or is it infamous of these media fueled characters The idea that someone who cannot possibly do something play professional sports might then play judge and jury on those that can athletes seems absurd to McDonald who clearly feels that the ever growing rash of media outlets in concert with an unthinking generation of spectators has only bloated the array of unfounded criticisms and hypocritical rhetoric within our midst From Fred Merkle an early media creation through to Bill Buckner a truly fine and underrated ballplayer **Never These Men** fundamentally asks the reader to imagine how it feels to be branded for a singular moment in ones life McDonald foremost a poet liberally spreads a few relevant original verses throughout this volume which is fundamentally a call for fair play The idea of balanced and proper reporting is considered as well as in the cases of Ralph Branca Mitch Williams and Ralph Terry Though all three were solid Major Leaguers who gave up famous home runs only the former two are constantly cited a point of contention here In the area of authority figures why Charles Comiskey and Judge Landis are barely scrutinized for their truly abhorrent behavior while a lifetime baseball man like Gene Mauch is merely brushed aside by far too many is a question that clearly haunts this writer **Never These Men** asserts that working in a world with little or no accountability while demanding total accountability from those whose skill and expertise literally creates your professional existence is an absurdity that needs to be addressed **The New Partridge Dictionary of Slang and Unconventional English: J-Z** Eric Partridge,2006 Entry includes attestations of the head word s or phrase s usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews com **Cassell's Dictionary of Slang** Jonathon Green,2005 With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell s Dictionary of Slang was warmly received when its first edition appeared in 1998 Brilliant said Mark Lawson on BBC2 s The Late Review This is a terrific piece of work

learned entertaining funny stimulating said Jonathan Meades in The Evening Standard But now the world s best single volume dictionary of English slang is about to get even better Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material The research has thrown up some fascinating results **Woodland**

Stories for Our Grandchildren Judy Henry,2013-02-07 This childrens book is a compilation of seven stories The central characters in my book are just some of the adorable and unusual animals and birds seen during my childhood Not far from our home on the crest of the riverbank rose a huge leafless gum tree long since dead It was home to much birdlife and especially the very noisy cockatoos and galahs As children we roamed all over our property with complete safety where we discovered an abundance of wildlife in their natural habitat I started writing about Pete the Pesky Possum only a few years ago and from then on it just mushroomed When I wrote about one character another popped up and I have many more just waiting for me to bring them to life The only problems I encountered were to know when to stop **An American Glossary** Richard Hopwood Thornton,1912 In this compilation are included forms of speech now obsolete or provincial in England which survive in the U S words and phrases of distinctly American origin nouns which indicate quadrupeds birds trees articles of food etc that are distinctly American names of persons classes of persons and of places words which have assumed new meanings words and phrases with earlier American examples than in English writers **Dictionary of Americanisms** John Russell Bartlett,1877 *Dictionary of Americanisms, 2nd ed. enlarged* John Russell Bartlett,1877

households Americans are now living longer on average than they did during the time of this book there currently existing an ever increasing focus on nostalgia perhaps due to a wistful longing for certain things and events from the past when society seemed to be far less complex and simpler pleasures abounded E Bay and the numerous flea markets scattered throughout our nation readily attest to this phenomenon Like any good history book this work attempts to create a perspective of the circumstances and participants who influenced the relative events of 50 odd years ago These events helped shape the evolution of the modern game today a game now more widely driven by economics and media hype
