Rock'n'Roll's Strangest Moments Mike Evans, 2014-03-28 Rock music since its pre history in blues country music and 40s and early 50s pop through to the well publicised excesses of touring bands of today has left a legacy of thousands of weird and wonderful stories in its wake We ve all read about the Who s Keith Moon driving a Rolls Royce into a hotel swimming pool but far more bizarre tales of on the road mayhem have never been widely told Likewise Svengali like managers have manipulated starstruck musicians since rock began though hanging your well known client from a third floor window was a less usual way of ensuring their

loyalty And just where was the stalled hotel lift in which all four Beatles according to legend were turned on to marijuana There are the unsung heroes of rock pioneering eccentrics who helped make the music what it is and ended up as mere footnotes in the history books Men such as UK producer Joe Meek who created seminal classics from a bed sit above a cleaners on the Holloway Road and the New York DJ who originally coined the phrase rock n roll and died in alcoholic poverty Not to mention the stories behind the stars when Debbie Harry was a Playboy Bunny Paul Simon wrote Homeward Bound on Widnes railway station in Lancashire and the Gallagher brothers so they claim were petty thieves [Billboard](#) ,1955-09-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Text and Drugs and Rock 'n' Roll* Simon Warner,2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years
