**A Rogue's Promise** Peggy Waide, 2002 A sacred Chinese statuette of a dragon found years ago by Lady Joanna Fenton's father had brought her nothing but trouble When the artifact disappears Joanna's search takes her into the underworld of Regency London She meets MacDonald Archer a smuggler who has forsaken his noble heritage Only he can save Joanna's fortune and her heart June Rogues Jacques Derrida, 2005 Rogues published in France under the title *Voyous* comprises

two major lectures that Derrida delivered in 2002 investigating the foundations of the sovereignty of the nation state The term *voyou* is the French equivalent of rogue state and it is this outlaw designation of certain countries by the leading global powers that Derrida rigorously and exhaustively examines Derrida examines the history of the concept of sovereignty engaging with the work of Bodin Hobbes Rousseau Schmitt and others Against this background he delineates his understanding of democracy to come which he distinguishes clearly from any kind of regulating ideal or teleological horizon The idea that democracy will always remain in the future is not a temporal notion Rather the phrase would name the coming of the unforeseeable other the structure of an event beyond calculation and program Derrida thus aligns this understanding of democracy with the logic he has worked out elsewhere But it is not just political philosophy that is brought under

deconstructive scrutiny here Derrida provides unflinching and hard hitting assessments of current political realities and these essays are highly engaged with events of the post 9/11 world *Rogue* Rachel Vincent, 2016-03-14 I know that better than most Since rejoining the *Pride* I've made big decisions and even bigger mistakes the kind paid for with innocent lives As the first and only female enforcer I have plenty to prove to my father the *Pride* and myself And with murdered toms turning up in our territory I'm working harder than ever though I always find the energy for a little after hours recreation with Marc my partner both on and off duty But not all my mistakes are behind me We're beginning to suspect that the dead are connected to a rash of missing human women and that they can all be laid at my feet two or four take your pick And one horrible indiscretion may yet cost me more than I can bear **The Rogues** Jane Yolen, Robert J. Harris, 2015-11-10 A
