Russian Girls Inside Out Anastasia Belarуска, 2019-12-18 What comes to our minds when we hear or come across the word combo Russian girl Beauty grace seduction youth This book would take a look at this from another angle and provide an answer to the secret of the phenomenal impact of the beauty of Slavic girls Beauty does not only connote blessings and happiness but can sometimes cause serious psychical and physical troubles as well as misunderstanding This is a guide to what is happening in the mind of an average Russian girl **The Russian Dating Bible** , American Girls in Red Russia Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in American Girls in Red Russia there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities American Girls in Red Russia recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments The Life of a Russian Woman Doctor Anna Bek, 2004-11-10 The story of an idealistic Russian woman doctor in pre and postrevolutionary Siberia **Woman in Soviet Russia** Fannina W. The Women's Liberation Movement in Russia Richard Stites, 1978-02-21 This book offers a brilliant treatment of many facets of its subject but it also ends up being for the reader one of the finest general histories to be found of these crucial years in Russian history The source material is unbelievably detailed and clearly cited on each page Not only that the writing is at many points the boldest clearest I've almost ever found in the Academy The author's opinions summaries insights easily spill out of the historical constructions The presence of the author's psyche he never hides behind his quotes means the material is contoured The reader gets not only huge amounts of information but an authorial presence as company that is often daring bold insightful revelatory And one stylistic point made me especially happy when Stites uses metaphors to explain history these are revelatory and their internal implications are followed through in the prose from www.goodreads.com Feb 2 2011
