The Sacred Classics, Vol. 25 Richard Cattermole, 2015-07-16 Excerpt from The Sacred Classics Vol 25 Or Cabinet Library of Divinity The scholastic philosophy based upon an imperfect interpretation of the works of Aristotle which at that period prevailed in our universities excited his aversion He therefore for some time directed his studies into a different channel and employed himself in acquiring that intimate knowledge of classical literature which afterwards when he came to write enabled him to rival the first authors of modern times in the perspicuity and masculine beauties of his style Contrary to what might have been expected his university friends were not selected from among those of learned and studious habits he preferred it is said the lively and agreeable and his early manner of writing is not free from those sallies of affectation mistaken by the vulgar for wit which may be supposed best to have pleased such companions indeed his recent biographer Lord King compares the style of his youthful correspondence to that of Voiture About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Cattermole, 2018-02-19 Excerpt from The Sacred Classics or Cabinet Library of Divinity Vol 21 IT is an error common to some who believe them selves lovers of Poetry with many who disregard and perhaps despise it that the purpose of this department of literature is merely to afford an elegant pastime or to supply a pleasing but aimless excitement This mistake so fatal to the just influence of some of the noblest efforts of the human mind we may expect to find prevailing in an age distinguished at once by the love of pleasure and an eager devotion to the affairs of life The delicate slaves of luxury contented with the stimulus which animated verse applies to the imagination and the edge it imparts to sensibility willingly rest here in their appreciation of its worth the enjoyment and still more the application of what lies beyond demands an exertion of the higher faculties of the mind to which they are unaccustomed and which they therefore decline with disgust The active worldly man on the other hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original
