The Sacred Marriage Rite Samuel Noah Kramer,1969 **Sacred Marriages** Martti Nissinen,Risto Uro,2008-06-30 The title of this volume Sacred Marriages consciously plays with the traditional concept of sacred marriage but the plural form sacred marriages gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype Following the guidelines of one of the contributors Ruben Zimmermann the editors tentatively define sacred marriage as a real or symbolic union of two complementary entities imagined as gendered in a religious context Sacred marriages plural then refers to various expressions of this kind of union in different cultures that seek to overcome to cite Zimmermann again the great dualism of human and cosmic existence The subtitle indicates that the contributors are primarily interested in different aspects of the divine human sexual metaphor that is the imagining and reenactment of a gendered relationship between the human and divine worlds This metaphor which is essentially about relationship rather than sexual acts can find textual ritual mythical and social expressions in different times and places Indeed the sacred marriage ritual itself should be considered not a manifestation of the sacralized power of sexuality experienced in sexual intercourse but one way of objectifying the divine human sexual metaphor

Sacred Marriage Gift Edition Gary Thomas,2011-04-09 See your marriage as much more than a union between you and your spouse From the love you share to the forgiveness you both offer and seek by turn your marriage devine or difficult can become a doorway to closer union with God p 4 of cover *Sacred Marriage (DVD)*. Gary Thomas,2008 Whether it is delightful or difficult your marriage can become a doorway to a closer walk with God *Sacred Marriages* David Mullins,2018-06-14 This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts Drawing upon data from in depth interviews of couples in long term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals Sacred Marriages explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered sacred marriages during emotional extremes A thoughtful examination of long term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family Sacred Marriage Gary Thomas,2000-02-01 *The Sacred Marriage of a Hindu Goddess* William P. Cherish Gary Thomas,2017-01-10 Gary Thomas pastor and bestselling author of Sacred Marriage believes that one simple word can bring hope light and life into any marriage Cherish Most marriages survive by gritting teeth and holding on But what if surviving marriage wasn t the goal What if we aimed to thrive instead In Cherish Thomas teaches us that although there are a countless number of marriages consisting of two people just going through the motions there are real ways this pattern can be reversed when husbands and wives learn to cherish one another in their everyday actions and words The way we treat something acknowledges whether we cherish it or hold it with indifference or contempt To truly cherish
