Selected Poems Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia-toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever-changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career

The treasury of sacred song, selected from the English lyrical poetry of four centuries, with notes, by F.T. Palgrave Francis Turner Palgrave, 1889

Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter-cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the AIDS epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize-winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill-seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems
