of Israel from the Exodus to Solomon Harriet Maria Barclay, 1876 **Seekers in the Hands of an Elusive God** Jeffery M.
 Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine
 For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you
 stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both
 everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our
 being yet it is God's will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as
 the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned
 down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers
 in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to
 search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our
 relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in
 Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with
 spiritual loneliness can join with saints of the past in pursuing the face of God **The Journey, eBook** Willow Creek
