

OEDIPUS JUDAICUS

ALLEGORY IN THE OLD TESTAMENT

WILLIAM DRUMMOND

Oedipus Judaicus

Sir William Drummond

Oedipus Judaicus:

"The" Oedipus Judaicus Sir William Drummond,1811 **Oedipus Judaicus** William Drummond,1996 **Oedipus Judaicus** W. Drummond,2014-03 This Is A New Release Of The Original 1811 Edition The Oedipus Judaicus Sir William Drummond,1911 **Oedipus Judaicus** William Drummond,1811 **The Oedipus Judaicus** William Drummond,2015-08-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Oedipus Judaicus Sir William Drummond,1866 **The Oedipus Judaicus** William DRUMMOND (Right Hon. Sir),1811

The Dipus Judaicus W. Drummond, Sir,2012-02-15 It will naturally be asked by those who may chance to see this volume why its author has caused a book to be printed which he yet does not choose to publish When however it is considered that I have treated chiefly of things deemed sacred and that there is considerable novelty in some of my opinions I trust that I shall be easily pardoned if I confine the distribution of the copies of this work to a narrow circle I pretend that the ancient Jews like other nations of antiquity had their esoteric and their exoteric doctrines They concealed the former under innumerable types and symbols the meaning of which is generally unknown among their descendants It is the object of my book to explain the hidden sense of many passages in the Hebrew Scriptures but as Christians are for the most part so well satisfied with the literal sense as never to look for any other except when it is thought that some allusion is made to the advent of Christ I feel myself unwilling to publish any explanations of the original text which may not I pretend that the ancient Jews like other nations of antiquity had their esoteric and their exoteric doctrines They concealed the former under innumerable types and symbols the meaning of which is generally unknown among their descendants It is the object of my book to explain the hidden sense of many passages in the Hebrew Scriptures but as Christians are for the most part so well satisfied with the literal sense as never to look for any other except when it is thought that some allusion is made to the advent of Christ I feel myself unwilling to publish any explanations of the original text which may not coincide with those notions concerning its meaning which are most commonly received Besides there may be passages in this volume which are capable of alarming the timid and of provoking the prejudiced Ignorance bears ill being told that it has much to learn and to

instruct Pride is to affront it *The Oedipus Judaicus* Sir William Drummond, 2019-08-13 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **The Oedipus Judaicus** Sir William Drummond, 1811 The best known work by Sir William Drummond 1770 1828 in which he argued that sections of the Old Testament was actually an allegorical interpretation of the astrological astronomical beliefs and writings of the ancients Drawing on authorities such as Kircher he explored in particular the zodiacs planispheres and pantheons of the Egyptians and ancient Hebrew tribes illustrating his work with engravings taken from the Zodiac of Dendera and other sources *Remarks On Sir William Drummond's Oedipus Judaicus; Being A Sequel To Letters To Sir William Drummond* George d' Olyly, 1813 *The Oedipus Judaicus* W. Drummond, 2015-06-26 Excerpt from *The Oedipus Judaicus* In speaking of the 12th verse of the 10th chapter of the Book of Joshua I might have observed that if the year be taken at 365 days and if we suppose one day intercalated every fourth year the meaning will come out more obviously This one day was not admitted into the sacred but into the astronomical year of the Egyptians An ancient and anonymous writer gives us the following account In templo Egypti Memphis lege Apidis Memphis fuit regio decorari reges qui regnabant Ibi enim sacris initiabantur primum ut dieitur Reges satis religiose tunicati et Tauro quem Apim apelant jugum portare fas erat et per vicum unum duci About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Oedipus Judaicus. [With Plates.]* William Drummond (Rt. Hon. Sir.), 1866 **Preface to the Oedipus Judaicus** William DRUMMOND (Right Hon. Sir), 1840 **Theosophical Enlightenment** Joscelyn Godwin, 1994-10-28 This is an intellectual history of occult and esoteric currents in the English speaking world from the early Romantic period to the early twentieth century The Theosophical Society founded in 1875 by Helena P Blavatsky holds a crucial position as the place where all these currents temporarily united before again diverging The book's ambiguous title points to the author's thesis that Theosophy owed as much to the skeptical Enlightenment of the eighteenth century as it did to the concept of spiritual enlightenment with which it is more readily associated The author respects his sources sufficiently to allow that their world so different from that of academic reductionism has a right to be exhibited on its own terms At the same time he does not conceal the fact that he considers many of them deluded and deluding In the context of theosophical history this book is neither on the side of the

blind votaries of Madame Blavatsky nor on that of her enemies It may therefore be expected to mildly annoy both sides

The Lamb Christology of the Apocalypse of John Loren L. Johns, 2014-11-10 Revision of the author's thesis Ph D Princeton Theological Seminary 1998

The Making of an Anglo-Jewish Scholar David B. Ruderman, 2025-06-16 This book is a study of the life and thought of the Polish Jew Solomon Yom Tov Bennett 1767 1838 who immigrated to London where he spent the last forty years of his life In focusing on Bennett's learned life it underscores the significance of this singular writer artist and public figure especially his remarkable dual interests in art and thought his biblical scholarship his social and intellectual connections with some of the most famous and accomplished Christian intellectuals of London and his self determination to complete his life long ambition of serving Western civilization by correcting and rewriting the entire standard edition of the English Old Testament Bennett's Christian associates respected his learning and were willing to accept him as a Jew in their ranks His integration into the upper echelons of the Christian literary establishment dukes jurists theologians and other scholars did not impede his loyalty to his faith On the contrary Bennett's Christian friends made him more Jewish more convinced of Judaism's moral force and more secure in his own skin as a member of a proud minority among Christian elites supposedly liberated so he hoped from the dark hostility of the Christian past His supreme act of translating the Bible constituted the ultimate payback he could offer the altruistic Christians he had met open to welcoming him not despite his Jewishness but because of it Bennett's transformation from a Polish Jewish immigrant to a proud Anglo Jew exemplifies a unique path of modern Jewish life and self reflection one ultimately shaped by the particular ambiance of his newly adopted country
