Ma Yuan Will Gatherer, 2021-11-11 **A 2023 Choice Reviews Outstanding Academic Title** **Ma Yuan** *The Chinese Avant Garde* Metafiction and Postmodernism in the works of Ma Yuan provides the most comprehensive study to date on one of China's most influential contemporary authors. Ma Yuan, by engaging in close readings of narratologically complex works of metafiction, the author offers a reappraisal of the role Ma Yuan played within the rise of postmodern fiction within China and offers new interpretive possibilities for the Chinese Avant Garde movement of the 1980s through demonstrating that rather than being predominantly formalist word games or narrative traps, Ma Yuan's works of metafiction functioned as Foucauldian heterotopias which allowed for the creation of distinctly Postmodern and Post-socialist possible worlds. This book also analyses Ma Yuan's recent post-2000 output and in doing so explores the shifting dynamics of literary self-reflexivity and the Post-postmodern within the contemporary context of Xi Jinping's era of modernity. This book argues that Ma Yuan's recent works display a distinct movement towards metamodern aesthetics alongside a rising anthropocenic awareness and eco-consciousness which offer key insights into the post-postmodern condition within a Chinese context.

Commercial media and academic accounts have routinely erased, excluded, ignored, and otherwise made absent the Asian American presence in sport. This book seeks to redress this pattern of neglect, presenting a comprehensive perspective on the history and significance of Asian American athletes, coaches, and teams in North America. The contributors interrogate the sociocultural contexts in which Asian Americans lived and played, detailing the articulations of power and possibility, difference and identity, representation and remembrance that have shaped the means and meanings of Asian Americans playing sport in North America.
