On the Defensive? ,1988 On the Defensive? Jeffrey Boutwell,1988 Ronald Reagan has left office and the fate of the Strategic Defense Initiative SDI is still undecided This book provides an essential basis for evaluating the policy choices that the new U S leaders will face with respect to SDI through the 1990s **Strategic Defence and Future of the Arms Race** John P. Holdren,Joseph Rotblat,1987-06-01 *Cooperative Threat Reduction, Missile Defense and the Nuclear Future* M. Krepon,2003-01-17 In this book Michael Krepon analyzes nuclear issues such as missile defenses space warfare and treaties and argues that the United States is on a dangerous course During the Cold War Mutual Assured Destruction or MAD facilitated strategic arms control Now that the Cold War has been replaced by asymmetric warfare treaties based on nuclear overkill and national vulnerability are outdated and must be adapted to a far different world A new strategic concept of Cooperative Threat Reduction is needed to replace MAD A balance is needed that combines military might with strengthened treaty regimes *The Department of State Bulletin* ,1988 The official monthly record of United States foreign policy

Committee on Armed Services,1987 **Arms Control, the FRG, and the Future of East-West Relations** Wolfram F. Hanrieder,2019-04-05 The political dimension of arms control has always had special significance for the Federal Republic of Germany not only because of the issue of a divided Germany and a partitioned Europe but also because of the country s key position in the Western security alliance In the wake of NATO s recent decision to deploy more nuclear weapons on German soil and in the absence of progress on arms control it has become clear that arms control measures and negotiations have assumed an importance far beyond their military technical components fundamental questions about the nature of East West relations and the future shape of the transatlantic alliance and the European political order also have been raised These essays explore the implications of arms control negotiations for the Federal Republic of Germany and consider why Germany has traditionally found it impossible to divorce considerations of arms control from their larger political context *Hearings on H.R. 1873 (H.R. 1872), Department of Energy National Security Programs Authorization Act for Fiscal Years 1986 and 1987* United States. The President's Strategic Defense Initiative, 1985 NATO and the Strategic Defence Initiative Luc-André Brunet, 2022-08-19 This book explores the largely neglected issue of responses to the US Strategic Defence Initiative SDI or the Star Wars missile defence programme across NATO The chapters here explore the reactions of different Western allies to the announcement of the SDI in 1983 and especially the 1985 invitation to participate While existing studies have explored the origins of the American programme and the role it may have played in ending the Cold War this volume breaks new ground by considering the impact of the SDI on transatlantic relations in the 1980s Based on newly available archival sources this volume re evaluates the responses of eight NATO member state governments as well as the Soviet leadership to the SDI In addition to looking at top down governmental reactions the volume also explores the bottom up response to the SDI of civil society and peace activists on both sides of the Atlantic The volume examines how the American initiative derisively named Star Wars by its detractors provoked a crisis in relations with its allies during the final decade of the Cold War and how those tensions within NATO were ultimately resolved This book will be of much interest to students of Cold War history strategic studies foreign policy and international history
