On Treacherous Ground Secret Stories Of The West:

On Treacherous Ground Earl Murray, 2025-10-16 The American West has long inspired intrigue and violence everything from gunfights at the OK Corral to modern day murders scandals and botched investigations that dominate the nation s headlines With many of them based on actual events this collection of short stories takes on the West in all of its treacherous guises from the Old West where Joaquim Murietta the real life inspiration for Zorro battles California Rangers who are out for his head to modern day Montana where one man s wealth takes him into the dark corners of the illegal artifacts trade and where another sees murder as a viable way to take over his neighbor s life Bizarre fascinating and eminently imaginative this veteran writer of America s last wild and secluded places shows us the West in all of its grim splendor with just enough disguise to protect the guilty With his usual adroit storytelling Murray communicates his love for the West while championing the victims of its early expansion and condemning the villains of today Publishers Weekly At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

On Treacherous Ground Earl Murray, 2002 The stories in ON TREACHEROUS GROUND cross over from the Old West where Joaquin Murieta the figure Zorro was based on battles Texas Rangers to the New West where a modern day Montana rancher plots to murder his neighbor
