Once A Giant Always My Two Lives With The New York Giants:

Once a Giant, Always-- Andy Robustelli, Jack T. Clary, 1987-01-01 The author recounts his years as a professional football player including eight years with the New York Giants and describes his experiences during his five years as director of operations

Chuckin' Charlie Conerly and the New York Football Giants Lew Freedman, 2023-06-15 All American quarterback Charlie Conerly's college career was interrupted by World War II. He started at University of Mississippi in 1942, fought in the Battle of Guam in 1944, then led Ole Miss to their first conference championship in 1947. He went on to play for the New York Giants from 1948 to 1961, ultimately leading them to an NFL title. A College Football Hall of Famer, Conerly was a professional All Star and the lynchpin of the Giants offense at a time when the team was loaded with Hall of Famers who unduly overshadowed him during his heyday. New York won repeat divisional crowns under the soft spoken Conerly and participated in the suspenseful first ever sudden death NFL title game in 1958. This first ever full length biography chronicles his life and career in detail

Big Blue Wrecking Crew Jerry Barca, 2016-08-23 Big Blue Wrecking Crew presents the first in depth examination of the team that rebuilt the New York Giants franchise, a revealing look at football in the 1980s and how a larger than life cast of characters made something from nothing. A marauding linebacker who changed the game of football as tough as nails, a quarterback and a fiery head coach helped the 1986 New York Giants leave an indelible mark on the NFL. Big Blue Wrecking Crew is the no holds barred story of the team that created Giant Football, the pound you into submission quarterback, crushing defense coupled with a powerful ball control offense that resulted in a 1986 Super Bowl Championship, the first in team history. In a gripping narrative of the season that changed the course of a franchise, author Jerry Barca takes readers on a wild journey filled with improbable characters. Linebacker Lawrence Taylor partied with the same level of recklessness and violence he put forth when he donned his jersey. Bill Parcells motivated his team in an unrelenting Jersey Guy way and quiet defensive genius Bill Belichick would go on to greatness. Based on years of research and hundreds of interviews, Barca chronicles the Giants' rise out of rock bottom to their status as a premiere NFL franchise. From behind the scenes, personnel discussions of general manager George Young to the meeting rooms with Parcells and defensive coordinator Bill Belichick, Big Blue Wrecking Crew is filled with the riveting exploits of unforgettable players. It is an unfiltered look at how enormous egos came together to win a championship, playing hard and partying equally as hard along the way

The 1951 Los Angeles Rams George Bozeka, 2022-04-28 The 1951 Los Angeles Rams were one of the greatest teams in professional football history. Led by pioneer owner Daniel Reeves, head coach Joe Stydahar and future Hall of Famers Bob Waterfield, Norm Van Brocklin, Elroy Hirsch, Tom Fears and Andy Robustelli, the team won the NFL championship of that season. In doing this, they defeated the defending champion Cleveland Browns in a fantastic rematch of the 1950 title game. The Rams were the first team in a major professional sports league to relocate to the West Coast, forever changing the face of the NFL and professional sports in America. Fueled by an exciting and accomplished lineup of veteran star players and

impactful rookies the product of the Rams innovative scouting system and their reintegration of the NFL in 1946 the Rams successfully married the NFL to the glamorous world of Hollywood Delve into the story of the 51 Rams the NFL's First West Coast Champions **Lombardi and Landry** Ernie Palladino, 2011-09-01 Vince Lombardi and Tom Landry could not have had two more divergent personalities Yet while working for the New York Giants in the mid 1950s under head coach Jim Lee Howell the pair formed what still stands as the greatest set of coordinators on one team Given their personalities one might have likened Howell's job to that of Dwight Eisenhower's as the general struggled to control the egos and politics of his allied subordinates during WWII But for some reason Lombardi and Landry worked almost seamlessly leading the Giants to the top of the NFL In the five seasons the two men coached together between 1956 and 1959 the Giants appeared in three championship games winning the NFL title in 56 Both coaches would go on to NFL stardom Lombardi with the Green Bay Packers and Landry with the Dallas Cowboys But it was during their years as Giants coordinators that they developed the coaching philosophies they would employ later in their careers For Lombardi it was the reliance on the running game that started with Frank Gifford and would continue in the Packers Sweep days of Paul Hornung For Landry it was his own invention of the 4-3 defense that led to the Flex defense of his Super Bowl winners in Dallas How they developed their ideas and how they were allowed to implement them was a testament not only to their genius but Howell's willingness to let them handle the strategic matters while he looked after the big picture In Lombardi and Landry veteran sportswriter Ernie Palladino takes an in-depth look at these two legends formative years in New York offering up a vivid revealing portrait of two brilliant coaches just coming into an understanding of their formidable powers **The Best Show in Football** Andy Piascik, 2010-10-16 For ten years the Cleveland Browns compiled a better record and won more championships than any team in pro football history In their first game they set an all-time attendance record and consistently drew the largest crowds of the post World War II era They dominated an upstart league and then silenced their detractors by doing the same to the NFL The Browns were led by Paul Brown a football visionary who changed pro football Most important among his innovations was the leading role the franchise played in the integration of pro sports While much of their competition continued with the racial exclusion of the past the Browns featured some of the greatest black players of all time men who were an integral part of the Cleveland dynasty The Best Show in Football The 1946-1955 Cleveland Browns Pro Football's Greatest Dynasty tells the story of those players and that dynasty Included in that story is the construction of the Browns as well as accounts of the team's many victories Dozens of interviews bring to life the exploits of Otto Graham Bill Willis Marion Motley Lou Groza Mac Speedie Len Ford Dante Lavelli Frank Gatski and so many others In rich detail The Best Show in Football demonstrates why Cleveland's dynasty was the greatest ever greater even than several teams that are usually accorded that honor The conclusions may be surprising but the evidence is all here And along the way author Andy Piascik provides a wonderful trip back to football's golden age *"Then Bavaro Said to Simms. . ."* Steve Zipay, 2009-09-01 Written
