*Once Were Angels: The Rise and Fall of the Greatest Deceiver* Gayle Frances Diamond, 2011-09 Lucifer has everything he could ever want incredible magnetic powers intellectual strength and magnificent beauty but still he wants more When the Earth is created Lucifer is overlooked and in a jealous rage an evil plan flourishes in his heart a plan that will strike at the very heart of God through His newly created family Satan wants the Throne of the Almighty as his own and demands for himself the loyalty and adoring praise due only to the Creator This takes the universe to the brink of annihilation The Earth becomes Lucifer s trophy won by deception Mankind is doomed to reflect the traits of the new Commander in Chief Satan and to die an eternal death God has a counter plan of His own but his children have to first accept it The world is on a mad spiral toward extinction with Satan at the helm until the Divine Plan is put in action Who will win this devastating war and bring home the trophy *Once Were Angels* is the most exciting adventure story of all time as well as the biggest disaster and greatest rescue encapsulated in an easy to read hard to put down book *The Angel Chronicles* Gd Thompson Sr, 2013-03 The time was the great rift between fallen angels as humans it was the supposed time of the great freedom when there were no rules on earth And that time was when earth wasn t even called earth It was nothing to them and something in the same moment The fallen angels almost had the same kind of planet as Aubrahteery which they gave up It was warm and lit all the time There was no darkness no coldness and no desolation Until their dark hearts took over and began to change their surroundings What the fallen angels also didn t realize was that their new home verged changing with the reality of the darkness lying in the root of their hearts The fallen angels didn t realize that darkness and negativity carried a lot more dead weight with it which is ultimately what forged the slowing planet with all the fallen angels as humans upon her surface

*1-2 Corinthians* Thomas C. Oden, 2013-07-04 The Ancient Christian Commentary on Scripture is a unique twenty eight volume series encompassing all of Scripture and offering contemporary readers the opportunity to study for themselves the key writings of the early church fathers Arranged by the books of the Bible each portion of commentary allows the living voices of the church in its formative centuries to speak as they engage the sacred page of Scripture rendered throughout the series in English in the ecumenically accepted Revised Standard Version of the Bible The Ancient Christian Commentary on Scripture does what very few of today s students of the Bible could do for themselves With the aid of computer technology the vast array of writings from the church fathers including much that is available only in the ancient languages have been combed for their comment on Scripture From these results scholars with a deep knowledge of the fathers and a heart for the church have hand selected material for each volume shaping annotating and introducing it to today s readers Each portion of commentary has been chosen for its salient insight its rhetorical power and its faithful representation of the consensual exegesis of the early church The Ancient Christian Commentary on Scripture is an ecumenical project promoting a vital link of communication between today s varied Christian traditions and their common ancient ancestors in the faith On this shared

ground we listen as leading pastoral theologians of the church's first several centuries gather around the text of Scripture and offer their best theological spiritual and pastoral insights Today the historical critical method of interpretation has nearly exhausted its claim on the biblical text and on the church In its wake there is a wide spread yearning among Christian individuals and communities for the wholesome the deep and the enduring The Ancient Christian Commentary on Scripture seeks not to replace those excellent commentaries that have been produced in the twentieth century It supplements them framing them with interpretive voices that have long sustained the church and only recently have fallen silent It invites us to listen with appreciative ears and sympathetic minds as our ancient ancestors in the faith describe and interpret the scriptural vistas as they see them The Ancient Christian Commentary on Scripture is a postcritical revival of the early commentary tradition known as the *glossa ordinaria* a text artfully elaborated with ancient and authoritative reflections and insights An uncommon companion for theological interpretation spiritual reading and wholesome teaching and preaching **1-2**

**Conception of Conspiracy** Ollie Fobbs,2016-09-02 The Conception of Conspiracy an Attack on Humanity has more to do with the lifestyle that we as a God Filled people have adopted than it does with the realities of our lives as a people the true reality is that the Kingdom of God is real and that it is working against the kingdom of darkness to take back what is rightfully hers The conception has to do with supernatural order God sent this Nation to be set apart for worship and the celebration of life and no it didn t start out that way with thousands of sad deaths and all the rest God s plan is a plan of simplicity and Favour and Justice and Love and power and Authority and his plan is that we would bring forth His Kingdom here on the earth now in preparation for the Kingdom that is to come in the near future As a woman prepares to give birth her child is not born right away neither are lies and deceit they grow over time but as God is love he has given us a way out the real quest at hand is do we want to take it
