One Bears The Cross The Story Of A Rejected Disciple Of Jesus Of Nazareth:

"One Bears the Cross" Ruffo Espinosa Sr.,2005-06-26 The author reflects on the betrayal of Jesus and proposes a spiritual explanation for why Judas Iscariot from Judea was chosen to carry the label traitor This story describes apostle Judas Thaddeus struggle with his name after Judas Iscariot s betrayal of Jesus it is narrated through an aspiring apostle Barsabbas who mistakenly believes he was overlooked for the job Although much has been written about the 12 apostles little is actually known about their personal lives We do know that many were unlearned fishermen and they no doubt had ambitions fears and carnal desires similar to those of men throughout the ages The message of this book is developed through the lives of three such men Judas Iscariot Judas Thaddeus and Barsabbas The author suggests that there is a little of Iscariot Thaddeus and Barsabbas in all of us It is the conflict between their personalities which fuels the best and worst qualities of mankind true power is not found through force but in those ideals exemplified by Barsabbas forgiveness and love

The Man from Nazareth Mel Storm,2006-04-20 The Man from Nazareth is a study of the life of Jesus according to the first three gospels The book opens with an examination of the sources for the historical Jesus followed by a general introduction to the first three gospels The rest of the book traces the story of Jesus from the infancy narratives to the resurrection Dr Storm wrote this book for his students in his introductory course on the life of Jesus However any person who is interested in biblical studies will find this book to be helpful in learning more about Jesus and the gospels Divine Suffering Andrew J. Schmutzer,2023-02-22 Divine Suffering is an inter disciplinary study that draws from systematics philosophy biblical theology and pastoral experience In addition to covering topics like the suffering of the Father in the Son and God s cruciform vulnerability this book also explores how divine suffering animates the Christian gospel and resonates in the ongoing persecution of believers The study of the suffering God has everything to do with Theology History and Church Mission Like exploring a cathedral from all its entrances both scholars and seekers will find ample opportunity for theological challenge biblical insight and missional hope To accomplish this both Scripture and doctrine are closely investigated Today divine suffering must face the contemporary realities of protest atheism escalating wars new studies in relational theology and dialogical personhood that presses the need to explain a Christian message about the kind of God who is not only transcendent but also personal Divine Suffering introduces us to the history of God not just the God of history In this study we meet a God available to our pain though not diminished by it Mounting forms of grief need to be met with an equally pastoral understanding that validates suffering without valorizing it *Lord Sherborne* E. K. Vyhmeister,2007-01-08 According to family lore the author was descended from a Lord Sherborne in England For years the author tried to find information about the Lords of Sherborne to no avail the family was apparently extinct However using the internet the author uncovered the Sherborne secret and proved his family s relationship to the Lords of Sherborne The author surprisingly finds himself descended over 100 times from the Kings of England and from other notables including the Howard family Earls of
