Paul Litt

One Eyed Kings Promise:

One-eyed Kings Ron Graham,1986 **Dynasties and Interludes** Lawrence LeDuc,Jon H. Pammett,2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty **Canada's Department of External Affairs, Volume 3** John Hilliker,Mary Halloran,Greg Donaghy,1990-01-01 Volume three of the official history of Canada s Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider s view of work in the Department its key personalities and its role in making Canada s foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country s responses to the era s most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War **Letting the People Decide** Richard Johnston,Andre Blais,1992-09-15 The authors have based the book primarily on data derived from the 1988 Canadian Election Study for which they were co investigators The survey was a rolling cross section a daily tracking of the campaign designed explicitly to monitor electoral dynamics The multivariate techniques commonly involved in the analysis of campaign data are presented here in an accessible way as graphs rather than tables Videotapes of prime time news analyses on CBC CTV and SRC outlets as well as some newspaper commentaries have been integrated into the survey This information is contrasted with an analysis of electoral dynamics based on one hundred years of census and electoral data The authors make a variety of significant arguments about the historical and political basis of the parties eventual positions on the issue of free trade the overriding importance of that issue to the 1988 election the roles of the party leaders and perhaps most important the political impact of campaigns especially of debates and media coverage Letting the People Decide brings the study of Canadian parties into the analytical mainstream even as it supplies a new interpretation of a century of elections *Politics and Ideology in Canada* Michael Ornstein,Michael Stevenson,2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the economy and society Using class and ideology as key concepts Michael

Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability. These concepts guide the interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981. The surveys cover an exceptionally broad spectrum of political issues including social programs, civil and economic rights, economic policy, foreign ownership, labour relations, and language issues, and sovereignty. A wide-ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state. But there was also widespread public alienation from politics. Public opinion was quite strongly linked to class but not to party politics. Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada. Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents. State elites fell between these two though generally more favourable to capital. The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs, free trade, privatization, and deregulation.

Do Conventions Matter? John Childs Courtney, 1995. National leadership conventions in Canada attract widespread public interest but with growing support for direct democracy and universal voting they may soon become a thing of the past. In *Do Conventions Matter* John Courtney, a leading authority in the field, explores the party leadership selection process in Canada in an age of television-dominated politics and assesses its uncertain future.

Manitoba's French-Language Crisis Raymond Hébert, 2004. An analysis of the dramatic events that overturned a century of discrimination against Franco-Manitobans.

The F-Word Jesse Sheidlower, 2009-09-04. In a thoroughly updated edition of *The F Word* Jesse Sheidlower offers a rich, revealing look at the f-bomb and its illimitable uses. Since the fifteenth century no other word has been adapted, interpreted, euphemized, censored, and shouted with as much ardor or force. Sheidlower cites many notorious examples throughout history from the satiric sixteenth-century poetry of James Cranstoun to more recent uses by Ernest Hemingway, Jack Kerouac, Ann Sexton, Norman Mailer, Liz Phair, Anthony Bourdain, Junot Díaz, Jenna Jameson, Amy Winehouse, Jon Stewart, and Bono.

Pirouette J. L. Granatstein, Robert Bothwell, 1991-01-01. *Canadian History: Confederation to the present* Martin Brook Taylor, Doug Owram, 1994-01-01. In these two volumes which replace the Reader's Guide to Canadian History, experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship.

Cover Canada at the Polls, 1984 Howard Rae Penniman, 1988. Introduction John Meisel. The flexible Canadian electorate Lawrence Leduc. Choosing new party leaders R. Kenneth Carty. Opportunity regained the Tory victory in 1984 George C. Perlin. The Dauphin and the doomed John Turner and the Liberal party's debacle Stephen Clarkson. The New Democratic party in the 1984 federal general election J. Terence Morley. The 1984 federal general election and developments in Canadian party finance Khayyam Z. Paltiel. The media and the 1984 landslide Frederick J. Fletcher. Reinventing the brokerage wheel the Tory success in 1984 John C. Courtney.

Leo Leo Kolber, L. Ian MacDonald, 2003 My relationship with Sam Bronfman and his sons Edgar and Charles has sometimes been compared to that of Robert Duvall as Tom Hagen the consigliere to the Corleone family in The Godfather in the sense that I was a surrogate son as well as an adviser to the father and a friend as well as a counsellor to the sons There is a certain amount of truth to that in that I was brought into the family as an outsider and became privy to its secrets Thus begins Leo Kolber's account written with L. Ian MacDonald of his remarkable relationship with the Bronfman dynasty from the founding father to his sons and eventually to the dissolution of a great business empire For thirty years Leo Kolber was chairman of Cemp Investments the Bronfman family trust and Cadillac Fairview Corporation one of the largest real estate firms in North America A close adviser to the legendary Sam Bronfman and a close friend of his sons Charles and Edgar Kolber was the family's consigliere on decades of deals including the buying of MGM in the 1960s which foretold the disaster that later overtook the third generation of Bronfmans after Edgar Bronfman Jr bought sold Seagram's 25 percent interest in DuPont to buy MCA Universal Studios in 1995 a deal Kolber strongly opposed With the Vivendi merger of 2000 the empire built by Mr Sam and his sons with Leo Kolber's help was dismantled Buying DuPont was the deal of the century Kolber writes selling it was the dumbest deal of the century As for the Vivendi merger and the break up of Seagram he writes that no one would have dared propose it to Mr Sam except perhaps over his dead body Named to the Senate by Pierre Trudeau Kolber has served there for twenty years including the last five as chairman of the Senate Banking Committee Throughout this period he was a senior bagman for the Liberal Party of Canada Formerly chairman of Claridge Inc Charles Bronfman's investment holding company Kolber also served for more than twenty five years as a director of Seagram and the Toronto Dominion Bank whose famous headquarters the six tower TD Centre was built by his Fairview Corporation in the 1960s Formerly chairman of Cineplex Odeon Theatres he was also as a longtime director of DuPont and MGM among other companies in which the Bronfmans once held an important interest Now Kolber is publishing this memoir of a life that he calls a tremendous ride With business tycoons from Sam Bronfman and Charles Bronfman to Kirk Kerkorian With famous politicians from Pierre Trudeau to Brian Mulroney and Jean Chretien With Hollywood moguls and nights out with the stars from Danny Kaye and Cary Grant to Frank Sinatra

Elusive Destiny Paul Litt, 2011-10-21 Going my way asked John Turner's campaign brochure in 1962 my way is the Liberal way It was that is until Pierre Trudeau came to power Turner was his party's star apprentice in the Liberal art of managing a heterogeneous nation through brokerage politics but in the 1968 election Canadians opted instead for a newly minted celebrity leader for a reimagined nation A political biography extraordinaire Elusive Destiny reveals the inner workings of the Liberal Party in its heyday as charted through the meteoric rise and fall of John Napier Turner It highlights Turner's vision for the country and tallies the political price he paid when he deviated from the Trudeau legacy on matters such as language rights social spending and Quebec It also provides a new perspective on federal politics from the 1960s through the 1980s while giving John Turner his rightful place in Canadian

history **Just Watch Me** John English,2010-09-07 This magnificent second volume written with exclusive access to Trudeau s private papers and letters completes what the Globe and Mail called the most illuminating Trudeau portrait yet written sweeping us from sixties Trudeaumania to his final days when he debated his faith His life is one of Canada s most engrossing stories John English reveals how for Trudeau style was as important as substance and how the controversial public figure intertwined with the charismatic private man and committed father He traces Trudeau s deep friendships with women especially many of them talented artists like Barbra Streisand and bitter enmities his marriage and family tragedy He illuminates his strengths and weaknesses from Trudeaumania to political disenchantment from his electrifying response to the kidnappings during the October Crisis to his all important patriation of the Canadian Constitution and his evolution to influential elder statesman Just One Vote Ian Stewart,2009-04-30 On January 12 1986 Jim Walding was nominated as the New Democratic Party candidate for the Manitoba constituency of St Vital Although Walding had been an MLA for fifteen years he had fallen out of favour with key elements in his party and won the nomination by only a single vote Walding went on in turn to bring down his own government by a single vote marking the only time in the history of Canadian politics that a majority government was brought down from within Combining data drawn from archives interviews and the media Just One Vote is a vivid and exceptionally detailed study of the nomination process Ian Stewart outlines the geographic social and political backdrop behind Walding s contested party nomination the unusual chain of events triggered by the contestation including the fall of the Pawley government and the NDP s defeat in the 1988 provincial election and examines the fallout from these events on Manitobans and Canadians **Alliance and Illusion** Robert Bothwell,2011-11-01 Alliance and Illusion is the definitive assessment of the domestic and international aspects of Canadian foreign policy in the modern era Robert Bothwell provides nuanced studies of Canada s leaders and discusses international currents that drove Canadian external affairs from American influence over Vietnam and the draft dodgers to the French case of de Gaulle s eruption into Quebec in 1967 This definitive recounting and assessment of Canadian foreign policy in the modern era fills a crucial gap in Canadian history and provides invaluable context for understanding Canada s present day foreign policy dilemmas The Worldly Years John English,2011-09-14 His life changed that of his nation John English illuminates the years of Lester Pearson s greatest eminence and vividly explores his life and times His period as prime minister was to prove one of the most decisive in our history and his policies helped shape Canada s foremost international statesman The Lester Pearson who emerges from the account of these momentous years from the Korean War through the tumultuous sixties to his death in 1972 is a complex paradoxical figure A man uneasy with ambition who shunned the flamboyance of his arch rival Diefenbaker Pearson nevertheless competed for the most glittering prize in Canadian political life World recognition brought him the Nobel Peace Prize yet in his battle to maintain independence for his country he deliberately incurred the wrath of its powerful traditional allies particularly Lyndon Johnson whom he heartily disliked He was oddly unprepared personally to take on Canada s

highest political office and led the Liberal Party to the worst defeat in its history yet went on to sponsor astonishing far reaching changes in Canadian society bilingualism biculturalism medicare modern Canadian nationalism and co operative federalism all innovations of the Pearson years And while he has been called our greatest prime minister other see him as the leader of a government that created many of Canada s discontents and crises and scandals that swirled about him Most paradoxically of all perhaps this unassuming man became a national icon winning a lasting place in the hearts and minds of a generation of Canadians In this second volume of his award winning biography John English has had remarkable access to Pearson s personal and political papers drawing on the letters and diaries and private papers of a host of his contemporaries and on personal interviews with his family and friends rivals and foes alike The result is a compellingly readable a richly detailed portrait of Canada and of a remarkable Canadian whose impact was immense

The Age of Consequence

Charles J. McMillan, 2022-04-07 Since the election of Pierre Trudeau in 1968 Canada has had nine prime ministers a series of minority governments as many as sixteen leaders of the opposition and a turnover of party leaders in provincial governments This rotation shows the vibrant nature of the Canadian political system which combines a measure of continuity and stability with change and policy innovation The Age of Consequence provides an insider s account of Canada s political environment over the last fifty years Focusing on the key personalities leaders and political parties of the era Charles McMillan reveals the reality of policy change in a world in flux bound by institutional constraints and propelled by personalities that advance or derail policy initiatives Choosing four policy themes economic competitiveness social justice national reconciliation and constructive internationalism the book traces Canada s policy evolution As a federation Canada s political system is shaped by policy initiatives leadership campaigns national elections the planning and machinery of governance and the strengths of its various leaders from John Diefenbaker and Lester B Pearson to Justin Trudeau Based on McMillan s personal experience as senior policy advisor to Prime Minister Brian Mulroney as well as on interviews policy papers and memos The Age of Consequence sheds light on how public policy is made the conflicts facing senior members of the government and the unique burdens placed on prime ministers

Democracy and North America

Alan Ware, 2013-10-23 The contributions here consider a number of themes and issues which account for the successful democratization of the United States and Canada and offer an analysis of the reasons for the absence of democratization in Mexico

The Unmaking of Canada Robert Chodos, Rae Murphy, Eric Hamovitch, 1991-01-01 Preface 2 The Natural Governing Party 1945 1957 3 Three Faces of Nationalism 1957 1968 4 Pierre Trudeau s Three Quarter Turn 1968 1984 5 The 1980s The Corporate Decade 6 In the Wake of the Free Trade Agreement 7 Beyond the Nation State 8 Omens of a New Politics 9 The East Germany of North America Sources Bibliography

The Top Books of the Year One Eyed Kings Promise The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
