

The Cult of Che Guevara

- Che Guevara's focal theory of Revolution and the immortalization of the heroic resistance fighter.

The mystique of Che has created not only a cult but a new source of profits for composers, poster makers and book publishers. "Everybody is jumping on the Guevara bandwagon," says Vice Chairman Rayner Unwin of the London publishing house of Allen & Unwin. Four Italian publishers are working the field, including Milan's Giangiacomo Feltrinelli, whose 95¢ version of Che's handbook, *Guerrilla Warfare*, has gone into three editions totaling 40,000 copies. At least half a dozen moviemakers are scrambling to get on-screen first with a Guevara biography. Most of them are Europeans, but in the U.S., Director Richard Fleischer, who has just completed *The Boston Strangler*, is ready to begin work for 20th Century-Fox on a film entitled simply *Che*.

dangerous idea and asks such provocative questions as Is there such a thing as a just war Could nonviolence have worked against even the most evil regimes in history Kurlansky draws from history twenty five provocative lessons on the subject that we can use to effect change today He shows how time and again violence is used to suppress nonviolence and its practitioners Gandhi and Martin Luther King for example that the stated deterrence value of standing national armies and huge weapons arsenals is at best negligible and encouragingly that much of the hard work necessary to begin a movement to end war is already complete It simply needs to be embraced and accelerated Engaging scholarly and brilliantly reasoned Nonviolence is a work that compels readers to look at history in an entirely new way This is not just a manifesto for our times but a trailblazing book whose time has come *Global Justice* Ernesto Che Guevara, 2015-04-01 Is there an alternative to the neoliberal globalization that is ravaging our planet These classic works by Ernesto Che Guevara present a revolutionary view of a different world in which human solidarity and understanding replace imperialist aggression and exploitation Included in this book are Socialism and Man in Cuba Message to the Tricontinental Create two three many Vietnams Speech in Algiers at the Afro Asian solidarity conference Ernesto Che Guevara was born in Argentina and traveled through Latin America before joining the Cuban revolutionary movement that toppled the Batista dictatorship in 1959 Although best known as a guerrilla fighter this book shows Che as a profound thinker with a radical world view that still strikes a chord with young rebels in every country today
