P. Power, 1997-01-01 *The Holy Well Tradition* Stiofán Ó Cadhla, 2002 It is estimated that there are up to 3000 holy wells in Ireland The pattern or feast day of the local patron saint has been viewed as one of the most typical aspects of Irish culture and has served to define that culture as either primitive in a negative sense or traditional in a positive sense The pattern in honour of St Declan of Ardmore County Waterford has been one of the most widely patronized in Munster and provides an opportunity to look at patterns in general through one particularly illustrative example **Life of St. Declan of Ardmore** Saint Declan (bp. of Ardmore.), 1914 Life of Saint Declan of Ardmore Saint Declan of Ardmore, Aeterna Press, 2015-06-22 Five miles or less to the east of Youghal Harbour on the southern Irish coast a short rocky and rather elevated promontory juts with a south easterly trend into the ocean 51 57 N 7 43 W Maps and admiralty charts call it Ram Head but the real name is Ceann a Rama and popularly it is often styled Ardmore Head The material of this inhospitable coast is a hard metamorphic schist which bids defiance to time and weather Landwards the shore curves in clay cliffs to the north east leaving between it and the iron headland beyond a shallow exposed bay wherein many a proud ship has met her doom Nestling at the north side of the headland and sheltered by the latter from Atlantic storms stands one of the most remarkable groups of ancient ecclesiastical remains in Ireland all that has survived of St Declan s holy city of Ardmore *Life of St. Declan of Ardmore and Life of St. Mochuda of Lismore* P. Power, Michael O'Clery, 2023-08-15 In the anthology *Life of St Declan of Ardmore and Life of St Mochuda of Lismore* P Power and Michael O Clery bring together significant hagiographical works that explore the profound religious and cultural heritage of Ireland The collection juxtaposes two distinct lives of Irish saints offering a rich tapestry of medieval spirituality miracle traditions and ecclesiastical history It stands out for its deep exploration of themes such as the intersection of Christianity and Irish culture the formation of religious communities and the role of saints in advancing the Christian faith across Ireland The variety in narrative techniques and the meticulous detailing of each saint s life journey underscore the anthology s literary and historical significance The contributing authors P Power and Michael O Clery come from enriched backgrounds deeply rooted in the exploration of Irish hagiography and history Michael O Clery a 17th century Franciscan friar and a leading figure in the compilation of the *Annals of the Four Masters* brings a historical rigor and depth to the narratives Power sharing a passion for Irish historical and religious studies contributes to the scholarly research that underpins this anthology thereby aligning it with broader discussions on the role of sainthood in
