Patton's Third Army At War:

Patton's Third Army at War George Forty, 2015-04-19 The story of Gen George S Patton's magnificent Third Army as it advanced across Nazi occupied Europe and into Hitler's redoubt. Includes photos. As America's own answer to the Blitzkrieg Third Army's actions from the Normandy coast across France and Germany to Austria gave a new dimension to the term fluid warfare. They only needed one general order to seek out the enemy trap and destroy them. This they did relentlessly overcoming every obstacle thrown in their way. Third Army's story is one of teamwork of armor, infantry and aircraft working together with a perfection that amazed even the Germans who'd always considered themselves the masters of the mobile offensive. Though Third Army is often remembered for its tank spearheads like the 4th Armored Division, these pages also give credit to the brave infantry divisions which butted their heads against fortresses such as Metz with ultimate success. It is also the story of a triumph of administration as thousands of trucks carried forward the vital supplies to keep the army on the move and fighting. When a German counteroffensive nearly burst through the US lines in the Ardennes, it was Patton's Third Army that turned on its heel and immediately drove in the Bulge, ending Hitler's last great hope for success in the west. Afterward, nothing could stop it as it crossed the Rhine and overran the Reich. Much of Third Army's greatness, driving force and will to win, was owed to one man: Gen George Smith Patton Jr. and a significant part of this book is devoted to him alone. In these pages, a renowned military historian gives a vivid impression in words and pictures of what it was like to live and fight with Patton's men. Full of eyewitness accounts, photographs and maps, it relates the full story of how America's most dynamic fighting formation led the Allied effort against the Nazis, seemingly invincible European empire. **Patton's Third**

Messages **Patton and His Third Army** Brenton G. Wallace, 2017-11-30 May God have mercy upon my enemies because I won't General George S. Patton. At the start of the war, the Nazi armed forces were one of the most feared war machines in history. It had swept away all opposition and threatened all of Europe with its dominating force. But its supremacy was not to last. In fact, the gains made by Nazi Germany over the course of 1940 to 1942 were rolled back in ten short months as Patton and the Third Army roared through France, Belgium, Luxembourg, Germany, Czechoslovakia, and Austria. Through the course of this offensive, Patton and his men faced some of the toughest fighting of World War Two, most notably when the Germans attempted to reverse the tide in the Battle of the Bulge. Colonel Brenton G. Wallace was there to witness all of this as he served and went on to earn five battle stars with the Third Army through the course of its movements into Germany. His book *Patton and his Third Army* is a remarkable account of this fascinating leader and his troops that changed the course of World War Two and revolutionized warfare. Wallace uncovers the actions of the Third Army from its preparations in Britain to its first engagements with the enemy through to the major battles around the Falaise Pocket and countering the German offensives breaking across the Moselle into Germany until they eventually subdued the Nazi forces. This book provides fascinating insight into the strategies used by Patton to defeat the Germans. It is full of direct quotes from Patton that demonstrate his determination to win, such as: "When you have an adversary staggering and hanging on the ropes, don't let up on him. Keep smashing, keep him off balance and on the run until you have knocked him out completely. That is the way to get this dirty business over quickly and at the smallest cost." *Patton and his Third Army* is essential reading for anyone interested in the European Theater of war and finding out more about this remarkable figure who Eisenhower said was born to be a soldier. Brenton G. Wallace was an American army officer and architect. Through the course of the war, he was awarded the Legion of Merit and Bronze Star from the United States, the Croix de Guerre with Star of Vermeil from France, and also made part of the Order of the British Empire. He served under Patton as an assistance chief of staff and retired from the army as a Major General in the United States Army Reserve. His work *Patton and his Third Army* was first published in 1946. He passed away in 1968.
