**Playing by the Rules** Arnold Palmer,2010-06-15 It was a moment seen by millions on television During play at the 1999 Phoenix Open Tiger Woods had a loose impediment removed to play his shot an everyday occurrence under golf s rules But that impediment was not a leaf or twig it was a 350 pound boulder that took six people to move The gallery and television audience buzzed with disbelief How could this be legal under the rules Indeed it could says golf legend Arnold Palmer who throughout his distinguished career has taken part in a sizable share of rules controversies Despite the fact that golf has fewer rules than such sports as baseball or football or rugby it is a contest of honor and all players be they tour professionals or casual weekend hackers respect the rules But as Palmer points out sometimes the rules are a little confusing and from time to time even the pros are puzzled When exactly is a ball considered lost How is slow play defined And when is a drop allowed Palmer helps makes sense of it all with simple to understand language and hundreds of infamous pictures of some of the more controversial rulings affording readers a visual recall of memorable moments involving Greg Norman Lee Janzen Mark O Meara John Daly even Palmer himself If you re one of the millions who take to the links every year need a clear explanation of all the rules of the game you love and more important don t want to be speechless when an argument over the coefficient of restitution pops up then Playing By The Rules will be an invaluable guide you ll refer to time and again

**One Hand on the Claret Jug** Norman Dabell,2011-07-15 Everyone remembers a winner especially when victory comes in the oldest major golf

**Brave New Discipleship** Max Anders,2015-02-10 Brave New Discipleship presents a new and comprehensive discipleship model for Christians living in a culture that has grown increasingly hostile to spirituality This book is a toolkit of biblically sound ways to grow and strengthen your church We live in a social climate that tries to force spirituality to take a backseat to cultural demands We see this in the way technology has made it easy to access any kind of moral degradation We see this in the deteriorating ethical landscape of popular culture from unrestrained violence to open explorations of deviant lifestyles Many young Christians see this as normal In response to this Christians and especially the church at large need a holistic discipleship strategy that addresses all areas of life to meet the new challenges of a radically shifting and secular modern world Max Anders will help you and your church integrate the best of modern educational research to guide the most effective discipleship strategy possible Using strong biblical principles Brave New Discipleship Explores the seven spiritual responsibilities or marks of a Christian Describes the three educational goals in a Christian s life that lead to spiritual growth Explains and employs a set of knowledge lifestyle and ministry skill methods that impact the Christian s life and walk with Christ Throughout Anders explores Scripture and sheds light on what is negotiable and what is non negotiable for modern ministry Features include Memory exercises to help the reader absorb a summary of what he or she has read Understanding exercises to help the reader put into his own words what he or she has read to be sure he grasps the truth Application exercises to allow the reader to apply the truth to his or her personal life
