The Source for Effective Church Service Planning, 2003 A comprehensive listing of service tested programming material

designed to supplement a church's creative process of service planning Second edition **Becoming What We Sing** David Lemley, 2021-01-07 Contemporary worship music is ubiquitous in many Protestant Christian communities today Rather than debating or decrying this post worship wars reality David Lemley accepts it as a premise and examines what it means for us to be singing along with songs that aren't so different from the pop genre How do we cope with the consumerism embedded in the mentality that catchy is good How do we stay committed to subverting cultural norms as Christians are called to do when our music is modeled after those cultural norms How do we ensure that the way we participate in the liturgy of contemporary worship music rehearses a cruciform identity **Becoming What We Sing** draws on cultural criticism ethnomusicology and liturgical and sacramental theology to process the deluge of the contemporary in today's worship music Lemley probes the thought of historical figures such as Augustine Hildegard of Bingen Martin Luther and the Wesleys while also staying situated in the current moment by engaging with cultural philosophers such as James K A Smith and popular artists such as U2 The result is a thorough assessment of contemporary worship music's cultural economy that will guide readers toward greater consciousness of who we are becoming as we sing our way into selves societies and cosmic perspectives **I Could Sing of Your Love Forever** Lindsay Terry, 2008-09-09 Stretch your faith through this collection of intimate interviews with today's top worship songwriters Even before King David sang his praises God has been drawing men and women to sing a new song Join author and hymnologist Lindsay Terry as he sits down one on one with the writers of today's most inspiring and powerful worship songs including Here I Am to Worship Open the Eyes of My Heart Shout to the Lord He is Exalted I Can Only Imagine Includes Bonus CD of songwriters telling their own stories **Released** Matthew McHenry, 2013-02 I was no longer controlled by the emptiness anger drugs alcohol pill abuse and all my old worthless ways The first year after I decided to become a Christian was difficult confusing and lonely I steered away from my fake friends went to church alone and started my search for the truth by studying all religions Empty empty was a regular feeling I had felt haunted by since I was a young child feeling like I had no purpose in life My journey began figuring out what religion is right and what exactly is in the Bible Who is God What is he all about What am I going to have to do in order to go to Heaven and please God The experience began as I discovered what the Bible said and what people who claimed to be Christians said were usually two different things You are just going to have to do something Matt You're not going to get a good job and you just need to take something for even minimum wage to have something They also said statements of defeat where I wondered if I had the same Bible they read at all I didn't believe the contradictions I found ministries that took the Bible for what it said as they believed for better lived better and they talked with confidence They took seriously the task of gaining wisdom to eat right talk right study and to expect the promises of God to his followers Released is for the unbelieving and those experiencing Christian confusion Take my experiences and the setbacks I had to overcome to motivate your own life God can forgive anything and he is the only thing in this world that will never let you down because they will The acceptance of Jesus
