Paul Writes To Timothy:

Interpretation of St Paul's Epistles to Timothy, Titus, and Philemon R. C. H. Lenski, This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R C H Lenski s classic text now available again Even though its historical critical work has been surpassed the strong narrative quality accessibility and holy reverence for the Word of God Moody Monthly of Lenski s work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation

Paul the Letter-Writer and the Second Letter to Timothy Michael Prior,1989-03-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul s letters especially the fact that many of them are co authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a completion Timothy s courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team

A Handbook on Paul's Letters to Timothy and to Titus Daniel C. Arichea,Howard Hatton,1995

The First and Second Letters to Timothy Jerome D. Quinn,William C. Wacker,2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul s letters to Timothy but also demonstrates the high standard of excellence marking the ECC series

Paul for Everyone: The Pastoral Letters N. T. Wright,2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to see the pastoral nature of these letters Paul is anxious to see that those who profess the faith should allow the gospel to transform the whole of their lives right down to the deepest part of their personality and is concerned that every teacher of the faith should know how to build up the community in mutual support rather than tearing it apart through the wrong sort of teaching and behavior Tom Wright has undertaken a

tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions

Paul's Letters to Timothy and the Church Today David Wilson, 2007 Paul's letters to Timothy written so long ago may seem out of touch with Christianity today After all things have changed since the first century church or have they The truth of the matter is that the counsel and warnings Paul gave Timothy are present truth for our own time Warnings given by Paul match the conditions found in the religious world today His counsel regarding personal commitment and fidelity still remain the path of the true child of God Paul's counsel to Timothy and the churches in the first century of the church if followed would still work to set things in order In short Paul's letters to Timothy are God's letters to you and me and the church today I pray this book will be a means by which God speaks to encourage counsel warn and rebuke where necessary

The First Epistle of Paul the Apostle to Timothy Harley Howard, 2005-04 Written in a clear expository format Dr Harley Howard details what the true Biblical church is all about from church leaders to deacons to the congregation according to the Bible

The First and Second Letters to Timothy Luke Timothy Johnson, 2008 The letters of Paul to Timothy one of his favorite delegates often make for difficult reading in today's world They contain much that make modern readers uncomfortable and much that is controversial including pronouncements on the place of women in the Church and on homosexuality as well as polemics against the so called false teachers They have also been of a source of questions within the scholarly community where the prevailing opinion since the nineteenth century is that someone else wrote the letters and signed Paul's name in order to give them greater authority Using the best of modern and ancient scholarship Luke Timothy Johnson provides clear accessible commentary that will help lay readers navigate the letters and better understand their place within the context Paul's teachings Johnson's conclusion that they were indeed written by Paul himself ensures that this volume like the other Anchor Bible Commentaries will attract the attention of theologians and other scholars

The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible most broadly pitched full length commentary on Timothy and Titus this NICNT volume explores Paul's three letters to Timothy and Titus within their historical religious and cultural settings In his introduction Towner sets out the rationale for his historical approach questions certain assumptions of recent critical scholarship and establishes the uniqueness and individuality of each letter Significantly Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters Centered on an outstanding translation of the Greek text and including thorough footnotes bibliographical citations and indexes Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors students and scholars
