Paul The Apostle 2 Vols A Theological And Exegetical Study:

Studies in Paul, Exegetical and Theological Richard N. Longenecker, 2004 The Church in the Wilderness Carla Swafford Works, 2014 Much attention has been devoted to Paul's quotations from the Old Testament but little attention has been given to Paul's use of biblical narratives The most extensive use of scripture in 1 Corinthians involves an allusion to Israel's exodus 10 1 22 which contains only one quotation 1 Cor 10 7 Since there is much debate on how to identify scriptural allusions Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5 6 8 and 10 1 22 These passages therefore provide an ideal place to consider how Paul is using Israel's exodus traditions to instruct a predominantly non Jewish congregation The author argues that the exodus tradition a tradition used to bolster Israel's identity and to teach Israel about the identity of God is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8 6 *Saint Paul, Master of the Spiritual Life "in Christ"* Elliott C. Maloney, 2014 In *Saint Paul* Elliott C Maloney explores what the great saint says about the spiritual life the how to in the day to day activities and concerns of Christians How should people live in covenant relationship with God committed to seeking God's will in every aspect of their lives Spirituality is a popular topic but it is regarded as merely one part of life some higher level of living when compared to ordinary living Even Catholic scholarship Maloney argues notable as it is in Pauline exegesis and theology seems to lack a feel for the overall kind of living that Paul wanted for his communities not to mention how we might appropriate such wisdom for today For Paul all of a believer's life is spiritual life The alternative is a life according to the flesh a self centered life without God a continual spiritual death Based on over forty years of teaching and study of the Pauline letters Maloney's *Saint Paul* offers a rich vision of Christianity and the spiritual life in Christ **The Exile of Adam in Romans** David P. Barry, 2021-10-12 This book investigates the divine son motif in Romans 5 and 8 through the lens of exile and restoration David P Barry presents a pattern of allusions to Israel and Adam and argues that Paul deliberately employs both themes to show their fulfillment in Christ Both Adam's exclusion from Eden and Israel's exile from Palestine are for Paul a divine son falling short of God's holiness and forfeiting the divine inheritance and presence The themes of Adam and Israel are complementary examples of sin and separation from God which Paul argues are reversed in Christ and for believers in union with him This theme of divine sons provides a framework for interpreting Paul's use of restoration prophecies in Romans 5 and 8 Various references to restoration prophecies e g Ezek 36 22 37 14 in Rom 8 1 11 which were apparently given to ethnic Israel are applied more broadly The scope of fulfillment goes beyond its ethnic boundary to include the spiritual children of Abraham Jew and Gentile Barry concludes that the exile is over in spirit but continues in body The new people of God are already spiritually restored to God's presence by faith and will be bodily brought into God's presence in glory *Paul, Apostle of the Heart Set Free* Frederick Fyvie Bruce, 2000 Written by one of the best known and most respected

evangelical biblical scholars of all time Paul explores the primary themes in Paul's thought as they developed in the historical context of his life and travels

Jews, Gentiles, and the Opponents of Paul B. J. Oropeza, 2012-02-24 B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament with a fourfold approach that identifies the emerging Christian community in danger the nature of apostasy that threatens the congregations and the consequences of defection Oropeza then compares the various perspectives of the communities in Christ in order to determine the ways in which they perceived apostasy and whether defectors could be restored In this second volume of a three volume set titled Apostasy in the New Testament Communities Oropeza focuses on the Christ communities of the undisputed and disputed Pauline Letters
