Persistence And Change In 19th Century Lebanon A Sociological Essay:

Persistence and Change in 19th Century Lebanon Samir Khalaf,1979 Persistence and Change in Nineteenth Century Lebanon Samir Khalaf,1979 *The Breakdown of the State in Lebanon, 1967-1976* Farid El Khazen,2020-12-10

Why did the Lebanese state the most open and democratic political system in the Middle East break down between 1967 and 1976 In this major contribution to the debate Fazel el Khazen rejects the standard explanations of the Lebanese Civil War and argues instead that the causes were due to the official state ideology which recognized diversity dissent and a highly pluralistic population and then specific external factors pressures from the Arab Israeli Conflict inter Arab rivalries and the Palestine Liberation Organization s close connection to Lebanese politics Using an historical analysis el Khazen sheds light on the political situation of the country in the lead up to the conflict and the major role Lebanon s neighbours had in the events The detailed and comprehensive account uses interviews with the key protagonists in the civil war and analysis of unpublished sources to reveal how and why the breakdown took place *The Making Of Modern Lebanon* Helena Cobban,2019-09-10 This book provides a vivid and readable account of Lebanon s development since its first emergence in 1585 unravelling the intricacies of the sectarian religious groups and the special kinds of communities which have sunk 900 year old roots in the remote fastnesses of the Mount Lebanon interior Cultural Anthropology of the Middle East ,1992

During the last two decades the number of anthropological studies on the Middle East has increased exponentially This partially annotated bibliography offers a comprehensive survey of studies written in English French and German and covers the period from 1965 to 1987 **The Political Economy of Middle East Peace** J.W. Wright Jr.,2013-06-17 The Political Economy of Middle East Peace looks at the political economy of the Middle Eastern peace process with a focus on the politics of trade Contributors investigate the ways new commercial alliances develop as a result of economic agencies established via the Arab Israeli peace process and look at institutions which contribute to redirection of Arab intra and inter regional trade such as the Palestine Monetary Authority the Middle East Development Bank and free trade zone agencies in Aquaba and Dubai

American Diplomacy Toward Lebanon David Hale,2024-02-08 Lebanon s significance to the Middle East and the global arena is greater than its small size suggests bordering Israel and Syria it holds a geo strategic role as the playing field for their competition as well as for their allies America and Iran This book examines how American diplomacy has responded to the intersection of local regional and international factors in Lebanon David Hale examines several key episodes in US diplomatic history with Lebanon starting with the country s independence in 1943 up until the present moment Crucial events such as the Lebanese Civil War the Cedar Revolution and more recently the spillover from the Syrian Civil War are examined within the context of the respective US government administrations of the time and their foreign policy strategies Hale asks whether policy makers had realistic and compelling goals the right strategy sufficient means and capable diplomats in its diplomatic approaches towards Lebanon through the years Crucially this study focuses on how

during these critical periods American diplomacy toward Lebanon had consequences beyond the country itself and on the narrative lines and lessons for the broader conduct of American foreign policy Cultural Anthropology of the Middle East, A Bibliography, Volume 1 Cultural Anthropology of the Middle East 1965-1987 Strijp,2021-12-06 During the last two decades the number of anthropologists conducting research in the Middle East has increased considerably Together they have produced an abundance of valuable studies often based on prolonged periods of ethnographic fieldwork This bibliography offers a comprehensive survey of their results published between 1965 and 1987 It refers to studies published in English French and German Geographically the bibliography covers the area from Mauritania in the West to Afghanistan in the East and from Turkey in the North to the Arab Peninsula and Northern Sudan in the South The majority of studies inserted has been written by anthropologists Besides a considerable number of studies related to anthropology but published by non anthropologists has been integrated as well The majority of the monographs and volumes has been annotated

Post-colonial Syria and Lebanon Youssef Chaitani,2007-04-27 The complex relationship between Syria and Lebanon is the political fulcrum of the Middle East and has dominated headlines since the withdrawal of French colonial forces from the Levant in 1943 One of the great paradoxes of this relationship is how two such very different political systems emerged in what many Syrian and Lebanese people see as one society At the time of independence it was assumed that only the divide and rule strategies of foreign powers kept the Arab peoples artificially separated In this major new book Youssef Chaitani examines how despite the prevalence of Arab nationalism and the regression of imperial interference Syria and Lebanon became more divided rather than more integrated in the post independence period Drawing on untapped sources from the archives of Western foreign offices and the local press Chaitani uncovers the strategies and motivations of both countries elites during this period and produces conclusions which have major implications for our understanding of Arab nationalism as well as the complexities of the Syrian Lebanese relationship The Druze Community and the Lebanese State Yusri Hazran,2014-07-11 One of the fundamental questions of Middle Eastern and Lebanese studies in particular is the history of the relationship between the Druze community and the state in modern Lebanon Arguing that the Druze community has been politically alienated from the Lebanese state this book explores the historical and political origins of this alienation The Druze Community and the Lebanese State contends that the origins of this alienation lie in the state s national ideology its political confessional system and the Druze s historical background during the medieval period Moreover this book examines the extent to which the Druze s attitude vis vis the Lebanese state has been influenced by their historical rivalry with the Maronites Particular emphasis is placed on the political and ideological practices adopted by the Druze leadership and intelligentsia as they dealt with the changes taking place in their community s political status following the political settlements of 1920 and 1943 the establishment of Greater Lebanon and the National Pact respectively A welcome addition to existing literature on Lebanon this book will be an essential reference tool for students and researchers with an interest in

nationalism identity and Middle East Politics more broadly

Lebanon's Predicament Samir Khalaf, 1987

The Republic of Lebanon David C. Gordon, 2016-03-22

Torn by civil war its major city in shambles and occupied by foreign peacekeeping forces as well as foreign armies the Republic of Lebanon in the 1980s was struggling to regroup rebuild and resolve its problems under new leadership In this analytical survey first published in 1983 Professor Gordon addresses such questions as why the republic rooted in the distant past succumbed to such disintegration Lebanon's multi ethnic character and the Palestinian presence are considered fully and Lebanon is examined in the international context inevitably with particular reference to the creation of Israel and its consequences The country is viewed both in its own right and also as a small skiff on a very rough regional and international sea

Reviving Phoenicia Asher Kaufman, 2014-06-17

Reviving Phoenicia follows the social intellectual and political development of the Phoenician myth of origin in Lebanon from the middle of the nineteenth century to the end of the twentieth Asher Kaufman demonstrates the role played by the lay liberal Syrian Lebanese who resided in Beirut Alexandria and America towards the end of the nineteenth century in the birth and dissemination of this myth Kaufman investigates the crucial place Phoenicianism occupied in the formation of Greater Lebanon in 1920 He also explores the way the Jesuit Order and the French authorities propagated this myth during the mandate years The book also analyzes literary writings of different Lebanese who advocated this myth and of others who opposed it Finally Reviving Phoenicia provides an overview of Phoenicianism from independence in 1943 to the present demonstrating that despite the general objection to this myth some aspects of it entered mainstream Lebanese national narratives Kaufman's work will be vital reading for anyone interested in the birth of modern Lebanon as we know it today

An Occasion for War Leila Tarazi Fawaz, 1994-01-01

Leila Fawaz's pioneering study tells the story of the 1860 civil wars that began in Mount Lebanon and spilled over into Damascus This period witnessed the most severe outbreak of sectarian violence in the history of Ottoman Syria and Lebanon The author's close analytical narrative of the dramatic events of that year is set against the broader themes of nineteenth century social political and economic change Fawaz shows how social conflict including ethnic civil wars cannot be explained without analyzing the regional and international currents that play upon both central state power and local autonomy She also demonstrates the important role of the communal balance between social and political institutions within regions Fawaz's new insights into the formation of sectarian identities and conflict will make An Occasion for War essential reading for all students of the modern Middle East
