

Thinking of You

Just to say, I'm thinking of you,
you're in my thoughts each day.
I'm here on the end of the phone,
if I can help you in any way.

You're always there for others,
now it's your turn to take good care.

And if you ever feel alone,
just remember I'm always there.

Sometimes when we have troubles,
and life seems a bumpy ride.

Remember I will always be here,
and will never leave your side.

Poems And Thoughts:

The poetry of the train of thoughts Susann Bernstein,2022-04-04 The poetry of the train of thoughts In life we repeatedly encounter topics that move us and stimulate our thinking A thought provoking impulse for one person or compassionate emotion for another person and yet a reason to philosophize for some other people The poetry of the train of thoughts with selected works written by myself is for all those free spirits who still like to immerse themselves in the world of poetry and indulge in it *Thoughts for Thought II* Rachel Elaine,2006-06 Evocative and philosophically thought provoking the short stories poems and haiku in the second volume of the series of Thoughts is for anyone and everyone to read again and again

Smiles Poems...Thoughts to Ponder Stephen Paul Tolmie,2012-02-18 The Tree of Life The tree of life is so like man ever stretching to the skies Its branches ever reaching upwards as though to heaven above Like mans quest here on earth to reach for that high unknown The tree requires the staples of life for its very existence here But man in his slight wisdom knows these details all too clear The tree roots securely planted are not allowed to roam But mans feet here on earth Have mobility all their own Unlike the tree man does possess a single separate entity A brain you see though seldom used a total shame indeed The tree of life depends on man for its daily lifes survival Man depends on his own lifes skills to hopefully see his tomorrow Which is a sad virtue for his thinking process is not always clear He makes good and bad decisions its effects are not yet known Man should take his lifes lessons from the tree of life pursuit As our single lifes true purpose to reach for heaven above As the tree stretches forth its limbs ever skyward in its growth We should heed this very lesson and praise the Lord above For all that He has done for mankind and this our earth as well In Cupid's Chains and Other Poems. Thoughts about Love and Other Thoughts. Spiritual Evolution Benjamin Franklin Woodcox,1912 **Poems and Thoughts** Lloyd Wright,2004-03 Poems and Thoughts is an accumulation of both poems and thoughts in rhyme form Some portray happy and loving memories from childhood days while living on a farm in Nebraska during the Great Depression In others you ll find firm family ties deep respect for nature and pride in our heritage Holidays and other events are well represented throughout the book There is a poem for everyone whether serious sentimental funny or sad There are many pages of reading enjoyment for all **A Wonderful Thought, and Other Poems** Peter W. Sams,1919 **Thoughts for Thought** Rachel Elaine,2004-10 Insightful wisdom with dashes of heart and soul Thoughts For Thought is written in a simple yet penetrating manner and provides food for thought within each poem and thought **Thoughts in Poetry** Estelle Pugsley Hart,1911

Impromptu Poetry Edwin Debiew,2010-03-20 THIS BOOK WRITTEN by Edwin Debiew is a book of suddenthoughts which came over his mind within the last few months Edwin wanted to capture those thoughts in writing and decided to try hishand at poetry Edwin Debiew is a poet who thinks outside of the normalpoetic structure and conforms to his own rules of writing poetry He writesfrom his impromptu thoughts and allows the poems to develop in his mindwhile formulating the final product Edwin s ink pen adapts a mind of itsown and cuts like a sword when needed and paints like a new brush at times Edwin

creates poems just like a lyricist who recites verse after verse using various rhyme schemes Poetry defined is a freedom of expression that is fluid like water Simply meaning poetry can mean many things to many people but the greatest thing about the meaning is that it is whatever you want it to be Of course there has to be some grammatical and thematic cohesion but the meaning can span from A to Z if your mind flows freely The process of aligning words concertedly to arrive at a point with the intention to generate feelings is a good definition This is Edwin Debieu's definition of poetry His new book *Impromptu Poetry Thoughts On My Mind* possesses various thought provoking themes while showing a variety of rhyme schemes Edwin uses real life examples of joy and daily issues and turns them into short poetic stories for readers to build upon From short tanaga's and cleri hew's Edwin flows long with *The Opposite of Invictus* and *R B Songs and Memories* Moreover *Impromptu Poetry* is Edwin's story as he progresses in life His poems expound on past experiences perceptions by others and relationships with others of the world Edwin gives credence in love poems for women to declare their great place in society *Impromptu Poetry* will make many laugh think invoke inner feelings and motivate and guide people through the mind of a man who continues to strive for the best life has to offer *Poetry and Thoughts of The Soul* Barbara Wikle, 2019-10-12 Following the Buddhist and my love for their teachings helped in how I see Life The Soul and The Afterlife in Spirit Body My poetry is in the same light

Sherrard, 2003 Over 18500 words of prose and poetry about life and self understanding Great for the coffee table Friends I have read many books but never with the idea of writing one What I read was only to teach myself Being one with an inquisitive as well as an intuitive mind the knowledge I have gleaned covers most subjects Each of them approached without pre judge meant as to the validity of their final argument but always with the desire to understand how and why that conclusion came about Having been interested in the universe at large and man in particular I have used my ability of analyzing what I have seen and experienced in my relationship to both The poems that I have published here are the results of thoughts about the who and why of me Friends who read them frequently gain insight unto themselves For that reason I have chosen to make them available to all **"Little Woven Thoughts"** Arpita Sarkar, 2021-09-01 Little Woven Thoughts is a compilation of the varied cacophony of thoughts that goes on in your little mind every time of the day As the name suggests we've so much going on inside our mind that at times it tries to find a medium to express All the pent up thoughts that are hidden in the hidden corner of your heart and mind is expressed here **Inspirational Thoughts** Rob Jackson, 2010-12-17 The poems written in this book will challenge the readers walk with Jesus Christ and create thought provoking conversations
