Poems Ed Donaldson:

Imitation and Praise in the Poems of Ben Jonson Richard S. Peterson, 2016-12-05 In the first edition of this now classic text Richard Peterson offered an important revaluation of the poetry of Ben Jonson and a new appreciation of the way in which the classical doctrine of imitation the creative use of the thoughts and words of predecessors permeates and shapes Jonson's critical ideas and his work as a whole The publication of the original book in 1981 led to a reinterpretation of the poems and a coherent view of Jonson's philosophy the resulting portrait of Jonson served as a corrective to earlier views based primarily on the satiric poems and plays This second edition of *Imitation and Praise in the Poems of Ben Jonson* makes Peterson's important scholarship available to a new generation of scholars and students *The Lily and the Thistle* William Calin, 2013-12-31 In *The Lily and the Thistle* William Calin argues for a reconsideration of the French impact on medieval and renaissance Scottish literature Calin proposes that much of traditional medieval and early modern Scottish culture thought to be native to Scotland or primarily from England is in fact strikingly international and European By situating Scottish works in a broad intertextual context Calin reveals which French genres and modes were most popular in Scotland and why *The Lily and the Thistle* provides appraisals of medieval narrative texts in the high courtly mode equivalent to the French *amoureux* comic didactic and satirical texts and Scots romance Special attention is accorded to texts composed originally in French such as the Arthurian *Roman de Fergus* as well as to the lyrics of Mary Queen of Scots and little known writers from the French and Scottish canons By considering both medieval and renaissance works Calin is able to observe shifts in taste and French influence over the centuries *The History of English Poetry* Thomas Warton, 2022-09-29 Reprint of the original first published in 1871 **History of English Poetry** Thomas Warton, 1871 **Publications** Early English text society, 1864 *The Northern Passion* Frances Allen Foster, Wilhelm Heuser, 1913 **Early English Text Society (Series)**, 1864 *The History of Jason* Raoul Lefèvre, 1913 *A Fifteenth-century Courtesy Book* Raymond Wilson Chambers, Walter Warren Seton, 1914 *Caxton's Mirrour of the World* William Caxton, 1913 **Civil Tongues and Polite Letters in British America** David S. Shields, 1997 In cities from Boston to Charleston elite men and women of eighteenth century British America came together in private venues to script a polite culture By examining their various texts conversations letters newspapers and privately circulated manuscripts David Shields reconstructs the discourse of civility that flourished in and further shaped elite society in British America **Dan Michel's Ayenbite of inwyt, or, Remorse of conscience** Laurent (Dominican), Richard Morris, 1866 The *Ayenbite of inwyt* is a literal translation of a French treatise entitled *Le somme des vices et de vertues* composed in the year 1279 by Frere Lorens or Laurentius Gallus as he is designated in Latin of the order of Friars Preachers *Caxton's Mirrour of the World* Oliver Herbert Prior, 1913 *The Prose Life of Alexander* John Stephen Westlake, 1913 **Merlin, a Middle-English Metrical Version of a French Romance** Henry Lovelich, 1913 **Merlin** Henry Lovelich, 1904 **The Coventry Leet Book: Or Mayor's Register**

Coventry (England). Court-leet, 1913 *The Power of Eloquence and English Renaissance Literature* Neil Rhodes, 1992-10-15 This book is an ambitious critical investigation of the idea of eloquence as it informs classical and Renaissance thinking about literature Italian Politics and Nineteenth-Century British Literature and Culture Cove Patricia Cove, 2019-05-14 A transnational approach to Risorgimento culture's contentious and exhilarating nation building enterprise Key Features Reimagines the parameters and duration of the relationship between the Risorgimento and British culture to revitalise critical engagement with the political dimension of nineteenth century Anglo Italian studies Maps the emergence and evolution of major nineteenth century forms and genres according to the reverberations of Italian politics that shaped the literary landscape Covers a wide range of diverse sources including fiction poetry and polemical and journalistic non fiction prose adding to an existing critical debate focused on poetry Rethinks nineteenth century British political debates surrounding liberalism the nation and the rights of citizens and refugees in light of the seismic geopolitical shift of Italian unification Crossing borders political divides and genres this book examines the intersections among literary works by Elizabeth Barrett Browning Mary Shelley and Wilkie Collins journalism parliamentary records and pamphlets to establish Britain's imaginative investment in the seismic geopolitical realignment of Italian unification Revitalising critical narratives surrounding the mutually constitutive Anglo Italian relationship Cove argues that forging a new state demands both making and unmaking as the Risorgimento re mapped Europe's geopolitical reality it also reframed how the British saw themselves their politics and their place within Europe Early English Text Society , 1881
