

Nonsense Poems

Nonsense poems are such fun
I write one every day
'You're mad, you're crazy! '
Is what the people tend to say
But I don't mind, I don't worry
Its really not so bad
Just because I have an imagination
Doesn't mean I'm mad(or does it?)

I dance across the milky way
and sail apon seas of jelly
I ride on a hippo
and bounce on a troll's belly
I stop for tea with a monkey
who's name rhymes with smelly
and watch a golden sunset
over my nonsense valley

So now this nonsense poem is comming to an end
may all your poems be nonsense ones
reality is such fun to bend!

Poems Nonpoems And Nonsense:

Essays On Nima Yushij Aḥmad Karīmī Ḥakkāk, Kamran Talattof, 2004 Situating Nima's life firmly within the context of 20th century Iranian history this book contributes to an emerging trend in literary scholarship on Persian literature that views Persian poetry as a living and constantly evolving tradition rather than an icon of some fading glory *Paradoxism and Postmodernism (criticism)* Ion Soare, 2001-01-01 *Non-poems and the Paradoxism* Pradeep S. Rana, I am quite surprised when I read Florentin Smarandache's poetry book Non poems which I received from him in September 22 1995 Things of surprises in his poetry are entertaining to an unexpected extent and are equally intricate to define however the beauty of individual poems clustered together in a single file is most worth having for sheer delight in creativity and when artistic values are getting derailed The formless beauty captured in Non poems is a splendid thing of surprise to me

The Rebellion of Forms in Modern Persian Poetry Farshad Sonboldel, 2024-02-08 An analysis of the aesthetic cultural and political aspects of alternative poetic movements and individual poets in three periods the Constitutional Revolution 1900 1920 the post constitutional era 1920 1940 and the ascendancy of modernism 1940 1960 Farshad Sonboldel shines new light on the history of modern Persian poetry by re imagining the roles that the aesthetic experimentations of alternative poets played in different phases of the literary revolution in modern Persian poetry Dominant narratives portray modern Persian poetry as a gradual rational and moderate change in the classical regime of aesthetics as well as a response to and reflection of cultural and socio political changes within Iranian society They also disregard the significance of radical experiments by alternative poets and undervalue the part they played in the initiation and progress of the so called literary revolution These mainstream narratives minimize the socio political engagement of literary works with the direct reflection of the social reality and thus neglect the way many alternative poems struggle with socio political issues through deconstructing the old and constructing new aesthetic systems Each chapter of The Rebellion of Forms in Modern Persian Poetry is centred around poems chosen for their potential to showcase notable experiments of pioneer movements and individuals in each given period Examining the formal and thematic aspects of these poems this book reformulates the story of modern Persian poetry and unravels the relationship

between radical aesthetic changes in the practice of poetry and resistance against political and cultural domination in society
