The Lowells of Massachusetts Nina Sankovitch, 2024-06-04 A stirring saga of a New England family, Sankovitch has made a compelling contribution to Massachusetts and American history. Roger Lowenstein, *The Wall Street Journal*. The Lowells of Massachusetts were a remarkable family. They were settlers in the New World in the 1600s, revolutionaries creating a new nation in the 1700s, merchants and manufacturers building prosperity in the 1800s, and scientists and artists flourishing in the 1900s. For the first time, Nina Sankovitch tells the story of this fascinating and powerful dynasty. In *The Lowells of Massachusetts*, though not without scoundrels and certainly no strangers to controversy, the family boasted some of the most astonishing individuals in America's history: Percival Lowell, the patriarch who arrived in America in the seventeenth century to plant the roots of the family tree; Reverend John Lowell, the preacher; Judge John Lowell, a member of the Continental Congress; Francis Cabot Lowell, manufacturer and some say founder of the Industrial Revolution in the US; James Russell Lowell, American Romantic poet; Lawrence Lowell, one of Harvard's longest serving and most controversial presidents; and Amy Lowell, the twentieth century poet who lived openly in a Boston marriage with the actress Ada Dwyer Russell. The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work, community service, and individual responsibility with a deep-seated optimism that became a well-known family trait. Long before the Kennedys put their stamp on Massachusetts, the Lowells claimed the bedrock. By the final pages of this volume, one feels deeply attached to the individual Lowells while also exhilarated at having experienced this grand sweep of American history. Charlotte Gordon, *The Washington Post*. **American Women Poets of the Nineteenth Century** Cheryl Walker, 1992 This publication marks the first time in a hundred years that a wide range of nineteenth-century American women's poetry has been accessible to the general public in a single volume. Included are the humorous parodies of Phoebe Cary and Mary

Weston Fordham and the stirring abolitionist poems of Lydia Sigourney Frances Harper Maria Lowell and Rose Terry Cooke Included too are haunting reflections on madness drug use and suicide of women whose lives as Cheryl Walker explains were often as melodramatic as the poems they composed and published In addition to works by more than two dozen poets the anthology includes ample headnotes about each author s life and a brief critical evaluation of her work Walker s introduction to the volume provides valuable contextual material to help readers understand the cultural background economic necessities literary conventions and personal dynamics that governed women s poetic production in the nineteenth century

Nathaniel Hawthorne, Updated Edition Harold Bloom, 2009 A collection of critical essays on Nathaniel Hawthorne s work

The New Anthology of American Poetry Steven Gould Axelrod, Camille Roman, Thomas Travisano, 2003 Volume 1 of this comprehensive anthology features a generous selection of Native American materials then spans the years from the establishment of the American colonies to about 1900 a world on the brink of World War I and the modern era First Editions of American Authors Forming the Library of Frank Maier of New York Frank Maier, 1909 **Sisters of the Extreme** Cynthia Palmer, Michael Horowitz, 2000-05 Sisters of the Extreme provides us with the eloquent writings of women who experimented with drugs Sometimes their quests brought unexpected rewards sometimes suffering The selections in this anthology show that the psychedelic experiences of women have been anything but stereotypical **Lowell's Religious Outlook** Leo Martin Shea, 1926 **The George M. Williamson Collection** Anderson Galleries, Inc, 1908 *A History of American Literature: Early national literature: pt. 2. Later national literature: pt. 1*, 1919 **The Cambridge History of American Literature: Early national literature: pt. II. Later national literature: pt. I** William Peterfield Trent, John Erskine, Stuart Pratt Sherman, Carl Van Doren, 1918 **First Editions of American Authors** Frank Maier, 1820 **From School to Salon** Mary Loeffelholz, 2021-06-08 With the transformation and expansion of the nineteenth century American literary canon in the past two decades the work of the era s American women poets has come to be widely anthologized But scant scholarship has arisen to make full sense of it From School to Salon responds to this glaring gap Mary Loeffelholz presents the work of nineteenth century women poets in the context of the history culture and politics of the times She uses a series of case studies to discuss why the recovery of nineteenth century women s poetry has been a process of anthologization without succeeding analysis At the same time she provides a much needed account of the changing social contexts through which nineteenth century American women became poets initially by reading reciting writing and publishing poetry in school and later by doing those same things in literary salons institutions created by the high culture movement of the day Along the way Loeffelholz provides detailed analyses of the poetry much of which has received little or no recent critical attention She focuses on the works of a remarkably diverse array of poets including Lucretia Maria Davidson Lydia Sigourney Maria Lowell Frances Ellen Watkins Harper Emily Dickinson Helen Hunt Jackson and Annie Fields Impeccably researched and gracefully written From School to Salon moves the study of nineteenth century women s poetry
