

Moonlight

Your soul is like a painter's landscape where
charming masks in shepherd mummeries
are playing lutes and dancing with an air
of being sad in their fantastic guise.

Even while they sing, all in a minor key,
of love triumphant and life's careless boon,
they seem in doubt of their felicity,
their song melts in the calm light of the moon,
the lovely melancholy light that sets

the little birds to dreaming in the tree
and among the statues makes the jets
of slender fountains sob with ecstasy.

 by French poet Paul Verlaine 1844-1896 is the first book of poetry that the Prince of Poets wrote This is the book that
 launched his career First published in 1866 under the title of Poèmes Saturniens the influences are clearly Romantic and
 Parnassian Charles Baudelaire Victor Hugo Leconte de Lisle principally but also Théophile Gautier Catulle Mendès Théo-
 dore Banville and Albert Glatigny even The poetry speaks for itself Memory memory what do you want from me Autumn made the
 thrushes flutter through the atonal air And the sun shot monotonous rays Through the yellowing wood where the breeze is
 distonal We were alone together and walked dreaming She and me hair and thoughts to the wind Suddenly turning towards
 me her touching gaze She said What was your finest day in her lively golden voice Her sweet and sonorous voice with a fresh
 angelic timber A discreet smile of mine gave her the response and Devotedly I kissed her pale white hand Ah the first flowers
 how sweetly perfumed they are And what a charming sound the first yes makes When it leaves the loved one's lips **Paul**

 complete English edition of Verlaine's important first book of poems Poems Under Saturn is the first complete English
 translation of the collection that announced Paul Verlaine 1844-1896 as a poet of promise and originality one who would
 come to be regarded as one of the greatest of nineteenth century writers This new translation by respected contemporary
 poet Karl Kirchwey faithfully renders the collection's heady mix of classical learning and earthy sensuality in poems whose
 rhythm and rhyme represent one of the supreme accomplishments of French verse Restoring frequently anthologized poems
 to the context in which they originally appeared Poems Under Saturn testifies to the blazing talents for which Verlaine is
 celebrated The poems display precocious virtuosity mingling the attractions of the flesh with the longings of the spirit Greek

and Hindu myth give way to intimate erotic meditations and wickedly satirical society portraits mythological landscapes alternate with gritty narratives of mid nineteenth century Paris visions of happiness yield to nightmarish glimpses of deep alienation and real and imaginary characters including Achilles Valmiki Charlemagne and Spain s baleful King Philip II all figure as the subject matter of a supremely ambitious young poet Poems Under Saturn presents the extraordinary devotion and intense musicality of an artist for whom poetry remained the one true passion Forty poems, by paul verlaine Paul Verlaine,1948 **Paul Verlaine** Paul Verlaine,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Poems of Paul Verlaine (Classic Reprint)* Paul Verlaine,2017-12-20 Excerpt from Poems of Paul Verlaine About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Romances Sans Paroles** Paul Verlaine,1976
