Poetic Origins And The Ballad:

Poetic Origins and the Ballad Louise Pound, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1921 edition Excerpt CHAPTER II THE MEDIAEVAL BALLAD AND THE DANCE If the ballad whether defined as dance song or as narrative lyric is not the archetypal poetic form preserving the model of primitive song if it did not originate more specifically than other lyric verse in the festal dance songs of primitive peoples is it not at least to be associated with the dances or the dance songs of the Middle Ages Such association is customary The primary definition of the English ballad in English dictionaries of the nineteenth century is dance song The etymology of the name makes linkage of the ballad with the dances of mediaeval times practically inevitable A few quotations will make clear the present state of opinion The leading American writer on ballads in recent times Professor E J Gummere affirmed But there is neither hurry nor compact narrative in the real ballad so named not because it was sung at a dance but because it was a dance a dramatic situation unchanged in bulk and plan but shifting its parts in tune with these until a climax is attained 1 According to Professor G L Kittredge It appears that there is no lack of characteristic traits which justify the conjecture that the history of balladry if we could follow it back in a straight line without interruptions would lead us to a very simple condition of iDemocracy and Poetry 1911 p 191 society to the singing and dancing throng to a period of communal composition 2 Professor Henry Beers wrote It should never be forgotten that the ballad was not originally a written poem but a song and dance 3 More qualification characterizes the words of Professor Charles S Baldwin They the ballads may have been originally dance songs with communal refrain

Poetic Origins and the Ballad Louise Pound, 1921 **Poetic Origins and the Ballad** Louise Pound, 1921 **Poetic Origins and the Ballad** Louise Pound, 2003-01 Poetic Origins and the Ballad - Scholar's Choice Edition Louise Pound, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **POETIC ORIGINS & THE BALLAD** Louise 1872-1958 Pound, 2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact

Poetic Origins and the Ballad (Classic Reprint) Louise Pound, 2017-12-25 Excerpt from Poetic Origins and the Ballad The author wishes to express grateful acknowledgment to Professor H M Belden of the University of Missouri who first encouraged her to interest herself in the study of folk song and to Professor H B Alexander of the University of Nebraska to whom she owes her interest in poetic origins and in much more besides Both have read the manuscript in parts and to both she is indebted for generous assistance Adequate acknowledgment of their help cannot be dismissed with a phrase About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Poetic Origins and the Ballad - Primary Source Edition Louise Pound, 2013-10 **Traditional Ballads of Virginia** Arthur Kyle Davis, 1929 **The Journal of English and Germanic Philology** , 1923 **Ballad Theory and Technique** , 1913 **The Ballad and Oral Literature** Joseph Harris, 1991

Francis James Child compiler and editor of English and Scottish Popular Ballads established the scholarly study of folk ballads in the English speaking world His successors at Harvard University notably George Lyman Kittredge Milman Parry and Albert B Lord discovered new ways of relating ideas about sung narrative to the study of epic poetry and what has come to be called oral literature In this volume 16 scholars from Europe and the United States offer original essays in the spirit of these pioneers The topics of their studies include well known Child ballads in their British and American forms aspects of the oral literatures of France Ireland Scandinavia medieval England ancient Greece and modern Egypt and recent literary ballads and popular songs Many of the essays evince a concern with the theoretical underpinnings of the study of folklore and literature orality and literacy and as a whole the volume re-establishes the European ballad in the wider context of oral literature Among the contributors are Albert B Lord Bengt R Jonsson Gregory Nagy David Buchan Vesteyn Olason and Karl Reichl

Ballad Collection, Lyric, and the Canon Steve Newman, 2013-04-23 The humble ballad defined in 1728 as a song

commonly sung up and down the streets was widely used in elite literature in the eighteenth century and beyond Authors ranging from John Gay to William Blake to Felicia Hemans incorporated the seemingly incongruous genre of the ballad into their work Ballads were central to the Scottish Enlightenment's theorization of culture and nationality to Shakespeare's canonization in the eighteenth century and to the New Criticism's most influential work *Understanding Poetry* Just how and why did the ballad appeal to so many authors from the Restoration period to the end of the Romantic era and into the twentieth century Exploring the widespread breach of the wall that separated high and low Steve Newman challenges our current understanding of lyric poetry He shows how the lesser lyric of the ballad changed lyric poetry as a whole and in so doing helped to transform literature from polite writing in general into the body of imaginative writing that became known as the English literary canon For Newman the ballad's early lack of prestige actually increased its value for elite authors after 1660 Easily circulated and understood ballads moved literature away from the exclusive domain of the courtly while keeping it rooted in English history and culture Indeed elite authors felt freer to rewrite and reshape the common speech of the ballad Newman also shows how the ballad allowed authors to access the common speech of the public sphere while avoiding what they perceived as the unpalatable qualities of that same public's increasingly avaricious commercial society

Folklore in the English & Scottish Ballads Lowry Charles Wimberly, 1928 This volume presents an exhaustive survey of those customs and beliefs that in the English and Scottish popular ballads center about religion and magic Preface [The Anglo-American Ballad](#) Dianne Dugaw, 2015-12-22 Originally published in 1995 This book's collection of key essays presents a coherent overview of touchstone statements and issues in the study of Anglo American popular ballad traditions and suggests ways this panoramic view affords us a look at Euro American scholarship's questions concerns and methods The study of ballads in English began early in the eighteenth century with Joseph Addison's discussions which marked the onset of an aesthetic and scholarly interest in popular traditions Therefore the collection begins with him and then chronologically includes scholars whose views mark pivotal moments which taken together tell a story that does not emerge through an examination of the ballads themselves The book addresses debates in tradition orality performance and community as well as national genealogies and connections to contexts Each selected piece is pre-empted by an introductory section on its importance and relevance

Essential Principles of Teaching Reading and Literature in the Intermediate Grades and the High School Sterling Andrus Leonard, 1922 **Warrior Women and Popular Balladry, 1650-1850** Dianne Dugaw, 1996-01-15 Masquerading as a man seeking adventure going to war or to sea for love and glory the transvestite heroine flourished in all kinds of literature especially ballads from the Renaissance to the Victorian age *Warrior Women and Popular Balladry 1650-1850* identifies this heroine and her significance as a figure in folklore and as a representative of popular culture prompting important reevaluations of gender and sexuality Dugaw has uncovered a fascination with women cross dressers in the popular literature of early modern Europe and America Surveying a wide range of Anglo American texts

from popular ballads and chapbook life histories to the comedies and tragedies of aristocratic literature she demonstrates the extent to which gender and sexuality are enacted as constructs of history **Poetry** Harriet Monroe, 1921 Philological Quarterly, 1922 The Cambridge History of English Literature Sir Adolphus William Ward, Alfred Rayney Waller, 1908

Delve into the emotional tapestry woven by Crafted by in **Poetic Origins And The Ballad** .
