**Anthology of Igbo and Other Proverbs** Dandy Ahaoma Ahuruonye,2024-08-31 In the realm of literature where words weave the fabric of culture and tradition Dandy Ahaoma Ahuruonye s The Whispering Poet An Anthology of Igbo and Other Proverbs stands as a monumental work This encyclopaedia is not merely a collection of sayings it is a treasure trove of wisdom a bridge between generations and a testament to the enduring power of language Introduction The Whispering Poet is a meticulously curated anthology that delves into the rich tapestry of Igbo proverbs alongside a selection of maxims from various cultures around the world Ahuruonye with his profound understanding of both local and regional proverbs offers readers a rare insight into the roots of these diverse pearls of wisdom The book is a celebration of the Igbo tradition where proverbs are regarded as cherished patrimony bequeathed by wise ancestors to teach and guide their progeny Ahuruonye s introduction sets the stage for the journey ahead providing a historical and cultural context for Igbo proverbs He eloquently

explains the significance of these proverbs in shaping Igbo identity values and worldview The author's passion for his subject is evident in his writing as he invites readers to embark on a journey of discovery and appreciation The Igbo saying *Ilu b ny nya nke as s Igbo ya mere b r na eziokwu na efu efu anyi ga eji ilu Igbo ch ta ya* translates to Proverbs are the horses of the Igbo language so if the truth goes missing we use Igbo proverbs to find it Another Igbo saying *Nganga s r gagh ekwe omume Ah mah s r b ihe ize nd Iche echiche s r Onwegh isi Mana obi takwunyere ha s Burugodi z nwalee ya* translates to Pride says It's impossible Experience says It's risky Reason says It's pointless But the heart whispered to them Just try it These anthologies are defined by the way each proverb encapsulates the essence of truth and reflection making them powerful vehicles for conveying wisdom Review As already emphasised Ahuruonye's encyclopaedia is a captivating exhibition of historical proverbs of traditional Igbo origin presented alongside proverbs from other cultures This juxtaposition not only highlights the universality of proverbial wisdom but also underscores the unique cultural contexts from which these sayings emerge The book is divided into sections that allow readers to explore proverbs with parallel applications making it a versatile reference for both academic and personal use One of the most striking features of *The Whispering Poet* is its comprehensive approach The book reviews the history of proverbs from ancient Egypt to medieval Israel and from the NOK civilisation to the Nri and Benin Kingdoms This historical context enriches the reader's understanding and appreciation of the proverbs situating them within a broader narrative of human experience Ahuruonye's prose is both lyrical and scholarly a blend that makes the book accessible to a wide audience His descriptions are vivid bringing to life the cultural landscapes from which these proverbs originate For instance he writes In the heart of the Igbo land where the palm trees sway to the rhythm of the wind proverbs are the silent whispers of the ancestors guiding the living with their timeless wisdom Such lines not only paint a picture but also evoke a sense of connection to the past The book contains over 400 original images from certified and authentic sources adding a visual dimension to the proverbs These images serve as cultural artefacts as well as escorts providing a tangible link to the traditions and histories discussed in the text The inclusion of these visuals makes the book not just a literary work but also a cultural archive This book is a must have for anyone interested in Igbo culture African literature or the power of proverbs It is a valuable resource for scholars students and general readers alike *The Whispering Poet* is a testament to Ahuruonye's dedication to preserving and promoting Igbo heritage and it is a work that will continue to inspire and enrich readers for generations to come Memorable Lines and Quotes *The Whispering Poet* is replete with memorable lines that resonate with readers long after they have turned the last page Some of the standout quotes include A bird that flies off the earth and lands on an anthill is still on the ground This Igbo proverb reminds us of the importance of humility and perspective When the moon is shining the cripple becomes hungry for a walk This saying speaks to the human tendency to desire what seems just out of reach Proverbs are the whispers of the ancestors guiding us through life's challenges A wise person knows when to speak and when to listen The tongue is a powerful weapon capable of both healing

and harming Yes The Whispering Poet is more than just an anthology it is a gateway to a rich and vibrant culture It is a book that will leave you pondering its wisdom long after you have finished reading **Sheba's Daughters** Jacqueline de Weever,2013-05-13 Exploring how the depiction of otherness or alterity during the Middle Ages became problematic in the aesthetics of the Romance epics written during the centuries of the Crusades this book offers a vital contribution to the growing interest in the way foreign women are presented in the texts of the Latin West and will be of consuming interest to students in women s studies cultural studies and medieval literature The texts considered are written in the major European languages of the time and range from the Song of Songs through Geoffrey of Vinsauf s Poetria Nova to such epics and romances as Erec et Enide Doon de Maience Fierabras La Prise d Orange Ars Versificatoria The Sowdone of Babylone and Parzifal **The Poet Prince** Kathleen McGowan,2010-05-25 The Son of Man shall choose When the time returns for the Poet Prince He will inspire the hearts and minds of the people So as to illuminate the path of service And show them the Way This is his legacy This and to know a very great love Worldwide controversy surrounds author Maureen Paschal as she promotes her new bestseller the explosive account of her discovery of a gospel written in Jesus own hand But a scandalous headline about her lover B renger Sinclair shatters Maureen s plans and sends her to Florence In Tuscany Maureen and B renger seek out their spiritual teacher Destino who insists the besieged couple study one of history s great Poet Princes Lorenzo de Medici the godfather of the Italian Renaissance B renger is a Poet Prince of the ancient bloodline prophecy and even across the centuries his fate is intertwined with Lorenzo de Medici s B renger must uncover the heretical secrets of the Medici family and the shocking truth behind the birth of the Renaissance if he is to fulfill his own destiny These heretical secrets were hidden for a reason and there are those who would stop at nothing to prevent B renger s assumption of his rightful role The Renaissance comes vividly to life as Maureen decodes the clues contained within the great masterpieces of Lorenzo the Magnificent s friends Donatello Botticelli and Michelangelo Maureen uncovers truths connected to the legend of Longinus Gaius the Roman centurion who used pierced the crucified Jesus with his spear Could Longinus Gaius doomed to live forever be someone she knows Could his infamous Spear of Destiny sought even by Hitler be the key to B renger s fate As Maureen and B renger race to find the answers someone is after them hell bent on settling a five hundred year old blood feud and destroying the heresy once and for all Rich in Kathleen McGowan s signature insights into art architecture and history and set in the beauty of Renaissance and present day Italy this is a spiritual detective story of the highest order The Truth Against the World **The Queen of Sheba's Land: Yemen (Arabia Felix)** Adnan Tarcici,1971 **War and Peace in Contemporary Eritrean Poetry** Charles Cantalupo,2009 War and Peace in Contemporary Eritrean Poetry focuses on Eritrean written poetry from roughly the last three decades of the twentieth century The poems appear in the anthology Who Needs a Story Contemporary Eritrean Poetry in Tigrinya Tigre and Arabic from which a selection is offered here in their original scripts of Ge ez or Arabic and in English translation Who Needs a Story is the first anthology of contemporary poetry

from Eritrea ever published and *War and Peace in Contemporary Eritrean Poetry* is the first book on the subject Therefore the groundbreaking effort of the former warrants a discussion of its means of cultural production All of the poets in *Who Needs a Story* participated in the Eritrean struggle for independence 1961-91 as freedom fighters and or as supporters in the Eritrean diaspora Thus contemporary Eritrean poetry divides itself between experiences of war and peace although one can contain the other as well *War and Peace in Contemporary Eritrean Poetry* also includes an extended analysis of one of Eritrea's most famous contemporary poets Reesom Haile as an example of the kind of extended analysis that many of the poets of *Who Needs a Story* should stimulate and last but not least a meditation on how the author a non native speaker personally becomes involved in Eritrean poetry translation

*Poetry And Contemporary Culture* A.M. enjoyed comparable fame in the fourteenth century Recognising the aesthetic achievements of his contemporaries does not diminish the splendour of Hafiz s rather it forces us to accept that Hafiz was but one member of a band of poets who jostled for the limelight in competing often intersecting patronage and reception networks that facilitated intense cultural exchange between the cities of post Mongol Iran and Iraq Hafiz s ghazals characterised as they are by conscious and deliberate hybridity ambiguity and polysemy are products of a creative mind bent on experimenting with genre While in no way seeking to deny the mystical stratum of the Persian ghazal in its fourteenth century manifestation this study emphasises the courtly and profane dimensions of the form and regards Hafiz through a sober lens with keen attention to his dynamic role at the heart of a vibrant poetic community that was at once both fiercely local and boldly cosmopolitan
