Chaucer,2006-05-25 Spanning Chaucer s working life these four poems build on the medieval convention of love visions poems inspired by dreams woven into rich allegories about the rituals and emotions of courtly love In The Book of the Duchess the most traditional of the four the dreamer meets a widower who has loved and lost the perfect lady and The House of Fame describes a dream journey in which the poet meets with classical divinities Witty lively and playful The Parliament of Birds details an encounter with the birds of the world in the Garden of Nature as they seek to meet their mates while The Legend of Good Women sees Chaucer being censured by the God of Love and seeking to make amends for writing poems that depict unfaithful women Together the four create a marvellously witty lively and humane self portrait of the poet

Twilight Litanies, and Other Poems from the Ivory Tower, in Two Books John Daniel Logan,1920 The Quarrel Between Poetry and Philosophy John Burns,Matthew Flamm,William Gahan,Stephanie Quinn,2020-09-27 The Quarrel Between Poetry and Philosophy Perspectives Across the Humanities is an interdisciplinary study of the abiding quarrel to which poet philosopher Plato referred centuries ago in the Republic The book presents eight chapters by four humanities scholars that historically contextualize and cross interpret aspects of the quarrel in question The authors share the view that although poets and philosophers continually quarrel a harmonious union between the two groups is achievable in a manner promising application to a variety of contemporary cultural political and aesthetic debates all of which have implications for the current status of the humanities **Stag of Love** Marcelle Thiébaux,2015-03-03 A sport and a military exercise hunting involved aggressive action with weapons and dogs and pursuit to the point of combat and killing for the sake of recreation food or conquest The Stag of Love explores the body of erotic metaphor that developed from the hunt together with Ovid s flourishing legacies While representing a range of human experience the metaphor finds its dominant expression in the literature of love As Marcelle Thi baux demonstrates the hunt s disciplined violence represented sexual desire along with

strategies and arts for getting love the joys of love and love's elevating mystique The genre gave rise to a lavish imagery of footprints and tracking arrows nets dogs and leashes wounds dismemberment and blood that persisted to Shakespeare's day Thi baux opens with an account of a medieval chase and its ceremonies She introduces hunt manuals that defined and gentrified the sport in stages from the party's departure to the ferocity of the struggle to the animal's death These stages adapted readily to narrative structures in the love chase showing pursuit confrontation with the beloved and consummation In English literature Thi baux considers Beowulf Aelfric's Life of St Eustace Sir Gawain and the Green Knight and Chaucer She discusses Aucassin and Nicolette Chr tien de Troyes Erec Gottfried von Strassburg's Tristan the Nibelungenlied and Wolfram von Eschenbach's works The study ends with a scrutiny of newly recovered or little known narratives of the thirteenth fourteenth and fifteenth centuries Originally published in 1974 and now issued in paperback for the first time The Stag of Love brings to life a theme of perennial interest to medievalists and to all readers intrigued by the imaginative treatment of love in the Western world

Ideas of Authorship in the English and Scottish Dream Vision Laurie Atkinson,2024 An investigation of English and Scottish dream visions written on the cusp of the Renaissance teasing out distinctive ideas of authorship which informed their design The fifteenth and sixteenth centuries have long been acknowledged as a period of profound change in ideas of authorship in which a transition from a medieval to a modern paradigm took place In England and Scotland changing approaches to Chaucer have rightly been considered as a catalyst for the elevation of English as a literary language and the birth of an English literary history There is a tendency however when moving from Chaucer's self professed poetic followers of this time to the philological approach associated with William Caxton and the 1532 Works to pass over the literary careers of the English and Scots poets belonging to the intervening half century John Skelton William Dunbar Stephen Hawes and Gavin Douglas This volume redresses that neglect Its close and comparative readings of these poets stimulating but critically neglected dream visions and related first person narratives reveal a spectrum of ideas of authorship four distinct engagements with tradition and opportunity united by their utilisation of a particular form It regards authorship as a topic of invention a discourse for appropriation which is available to but not inevitable in late medieval and early modern writing Overall it facilitates newly focussed study of an often obscured literary historical period one with a heightened interest in the authors of the past Chaucer Lydgate Petrarch Virgil but also an increasingly acute perception of the conditions of authorship in the present

Love's Vision Troy Jollimore,2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's

Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love s Vision is an original examination of a subject of vital philosophical and human concern **Poetry Review** Stephen Phillips,Galloway Kyle,1923 **Poets & Writers** ,2006
