## Quebecois Dream:

A Québécois Dream Victor Lévy Beaulieu, 1978      Dream of Nation Susan Mann, 2002 A synthesis of Quebec history from New France to the first referendum on sovereignty in 1980      Mindscape of Montreal Ceri Morgan, 2012-10-15 This innovative study of the Montreal novel in French looks at how imaginary and material landscapes come together to produce a city of neighbourhoods      **René Lévesque and the Parti Québécois in Power** Graham Fraser, 2001 A biography of one of the most charismatic politicians that Quebec and Canada has ever known Graham Fraser paints a vivid portrait of one of the most dynamic political figures of the 20th century Rene Levesque describes the origins of the Parti Quebecois and gives a graphic account of key events that still resonate in Canadian political life Quebec's language law the 1980 referendum and the patriation of the constitution This second edition contains a new preface in which Fraser completes the story of the last months of the Parti Quebecois government and the period leading up to Levesque's death in 1987 detailing how Levesque's leadership continues to mark his successors      **Liberal and Illiberal Nationalisms** R. Taras, 2002-07-05 How people construct their idea of home influences the types of nationalisms that emerge in various parts of the world These nationalisms can be inclusive or exclusionary tolerant or intolerant peaceful or violent In this important new book Ray Taras provides a comprehensive analysis of the history and study of nationalism He describes what happens when home is defined as empire Russia and India secessionist state KwaZulu and Quebec uninational Volkstaat Germany and Israel or transnational community Islam and anti Americanism Finally he explores the idea that the mantra of multiculturalism has fuelled conflicts over what home is and generates divisions within and between communities      **Home Is the Hunter** Hans M. Carlson, 2009-05-01 The James Bay Cree lived in relative isolation until 1970 when Northern Quebec was swept up in the political and cultural changes of the Quiet Revolution The ensuing years have brought immense change for the Cree who now live with the consequences of Quebec's massive development of hydroelectricity timber and mineral resources in the North Home Is the Hunter presents the historical environmental and cultural context from which this recent story grows Hans Carlson shows how the Cree view their lands as their home their garden and their memory of themselves as a people By investigating the Cree's relationship with the land and their three hundred years of contact with outsiders the author illuminates the process of cultural negotiation at the foundation of ongoing political and environmental debates This book is more than a story of dam building and industrial logging in northern Quebec It offers a way of thinking about indigenous peoples' struggles for rights and environmental justice in Canada and elsewhere      *Contemporary Quebec* Michael D. Behiels, Matthew Hayday, 2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed

since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions

**Quebec Identity** Jocelyn Maclure, 2003 In *Quebec Identity* Jocelyn Maclure provides a critical reflection on the ways in which Quebec's identity has been articulated since the 1960s Quiet Revolution. He shows how neither the melancholic nationalism of the Montreal school (Hubert Aquin, Pierre Vallières, Fernand Dumont) and their followers nor the individualist antinationalism of Pierre Trudeau and his followers provide identity stories and political projects adequate for contemporary Quebec. In articulating an alternative narrative, Maclure reframes the debate, detaching the question of Quebec's identity from the question of sovereignty versus federalism and linking it closely to Quebec's cultural diversity and to the consolidation of its democratic sphere. In so doing, he rethinks the conditions of authenticity, leaves space for First Nations self-determination, and takes account of globalization. This edition has been expanded for English Canadians with additional references as well as a glossary of names, institutions, and concepts.

**The German Prisoner** James Hanley, 2006 Brilliant in its stark depiction of trench warfare in World War I, this lost classic was privately printed in a limited edition in 1930. British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers, and even today's readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress. Providing a new view of an underappreciated Canadian author, the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War.

The Routledge Handbook of Translation and Sociology Sergey Tyulenev, Wenyan Luo, 2024-11-13 The *Routledge Handbook of Translation and Sociology* is the first encyclopaedic presentation of the research into social aspects of translation and interpreting. It consists of thirty-five chapters contributed by forty experts in their respective fields of the sociology of translation. The Handbook traces the evolution of research into social aspects of translation and interpreting, explains the basics of the sociology of translation, offers an insight into studies of translation within sociology, shows the place translation and interpreting occupies among social functional systems and its interactions with social forces and practices. With global coverage spanning all inhabited continents, the Handbook examines translational practices across diverse cultures and historical periods from ancient origins to modern professional practices. Suitable for both undergraduate and postgraduate students of translation and interpreting as well as researchers in the sociology of translation, the Handbook furnishes readers with a comprehensive understanding of the field. It offers a thorough exploration of the current state of the sociology of translation and suggests avenues for further research.

Beyond the Impasse Institute for Research on Public Policy, 1998 Efforts to reform the Canadian constitution have only resulted in a serious impasse fostered by demands for change from Quebec and reticence from English Canada. This book looks at the potential for achieving reconciliation through a new partnership between Quebec and Canada in a series of papers that examine the stakes for both Canada and Quebec in opting for a modified relationship that is neither the status quo nor complete separation. Two papers in part 1 lay the conceptual

groundwork concerning the constituent elements of partnership Papers in part 2 deal with the economic union in the context of a renewed partnership Four papers in part 3 examine issues concerning rights recognition and citizenship in a Quebec Canada partnership Part 5 broadens the discussion to the international arena and includes a comparative international scan of partnership models The final part distils the two editors separate conclusions on how to move beyond the impasse based on the studies presented

*A Reader's Guide to Québec Studies* André Senécal,1999 Canadian Dreams and American Control Manjunath Pendakur,1990 A history of the Canadian film industry from its inception to 1980s providing a chronological record of the conflicting priorities between American capital which seeks to shape the Canadian film industry to its own image and Canada s stated goal which is to serve the Canadian people with films autonomously conceived produced and exhibited Canadian National Cinema Christopher E. Gittings,2002 This books traces the inscription of nation across Canada s film history from early films of colonisation and white settlement to contemporary Canada s diverse multicultural output

**Making Public Pasts** Alan Gordon,2001-10-24 Gordon shows that while individual memory is crucial to establishing and maintaining identity public memory is contested terrain official customs and traditions monuments historic sites and the celebration of anniversaries and festivals serve to order individual and collective perceptions of the past Public memory is therefore the product of competitions and ideas about the past that are fashioned in a public sphere and speak primarily about structures of power It conscripts historical events in a bid to guide shared memories into a coherent narrative that helps individuals negotiate their place in broader collective identities The contest over public memories involves an exclusiveness that packages others according to the ideological preferences of the dominant cultures Gordon shows that in Montreal ethnic class and gender voices strove to stake their own claims to legitimacy Rather than acknowledging a single past Montreal s many publics made and celebrated many public memories

*The Other Quebec* John Irvine Little,2006-01-01 The Other Quebec explores some of the complex ways that religious institutions and beliefs affected the rural societies in which the majority of Canadians still lived in the nineteenth century

**Recent Social Trends in Quebec, 1960-1990** Simon Langlois,Baillargeon,1992-02-05 Readers will follow an intense period of social change in Quebec during which there was a remarkable increase in the level of modernization They will note a massive entry of women into the labour force and a growing service sector that now constitutes seventy percent of all economic activity They will observe also that the Qu b cois have dramatically increased their television viewing and that while they express a generally high level of satisfaction with life the Qu b cois must contend with escalating crime and suicide rates

**Canadian Politics, Seventh Edition** James Bickerton,Alain-G. Gagnon,2020-08-31 For this new edition James Bickerton and Alain G Gagnon have organized the book into six parts Part I covers the origins and foundation of Canada as a political entity while Part II focuses on government parliament and the courts Part III examines matters pertaining to federalism and the Canadian Charter of Rights and

Freedoms Part IV casts some new light on electoral politics and political communications and Part V examines citizenship diversity and social movements Part VI the final section of the book concentrates on a number of political issues that merit special attention on the part of political actors and decision makers namely the evolving relationship between Canada and Indigenous peoples immigration and refugees environment and climate change and relations between Canada and the United States This seventh edition of Canadian Politics includes 12 new chapters with ten new contributing authors and coverage of six new subjects and is essential reading for students and specialists studying Canadian politics

*The Sense of the Sacred in the Early Novels of Quebec* Lisa M. Gasbarrone, 2024-10-15 Quebec's early novels are full of sacred themes and motifs devotional objects and practices parables and scripture priests and nuns transcendence divinity and eternity Yet the critical gaze of the past fifty years has seldom engaged the idea of the sacred in a sustained way Indeed the presence of the sacred has alienated modern and postmodern readers who ignore or downplay its significance leading to misguided assessments of these works as mediocre and even unreadable for contemporary audiences *The Sense of the Sacred in the Early Novels of Quebec* reexamines seven classic novels at the foundations of Quebec's national literature Patrice Lacombe's *La Terre paternelle* 1846 P J O Chauveau's *Charles Gu rin* 1853 Antoine G rin Lajoie's *Jean Rivard* 1874 Philippe Aubert de Gasp's *Les Anciens Canadiens* 1863 Laure Conan's *Ang line de Montbrun* 1884 Louis H mon's *Maria Chapdelaine* 1916 and F lix Antoine Savard's *Menaud ma tre draveur* 1937 Through chapters that focus on sacred themes character analysis narrative temporalities and the hermeneutics of the sacred Lisa Gasbarrone demonstrates that these novels are more nuanced and innovative than their reputation has allowed *The Sense of the Sacred in the Early Novels of Quebec* reintroduces readers to classic works of French Canadian literature that ironically and provocatively cast their quarrel with modernity in that essentially modern form the novel
