Queen Of All The Yardies:

Queen of All the Yardies James Morris,1992 **The British National Bibliography** Arthur James Wells,1994 *Da Black Scorpion* Ali El,2013-01-15 I originally wrote this book as a movie script back in 1992 while awaiting trial It was a add on to a movie that I had started filming before being locked up It was my answer to the movie Rocky But if you knew anything about the publishing business you would know that at the time it was virtually impossible to get published as a black author So this book went in my bag Once convicted and sent off to the plantation this book was passed around amongst the convicts alongside the likes of Goines and Ice Berg Til finally my homie shipped with it I tried unsuccessfully to contact Apple for about two years with no luck By this time 2002 I had written four more books and with the emergence of independent black publishers I realized that my own try at independent publishing in 1998 wasnt a pipe dream but rather the lack of vision from un named people So once again I tried to go thru the established Finally I concluded that a nigga that has never had nothing dont know how to be true to the game So back to square one with the idea of dropping two books at the same time I rewrote the book and merged it with the book that all my readers liked the most But since my luck is as good as a rabbit losing his foot You know I lost the book again Finally January 2006 I re wrote this book Only this time I set out to put it in book form as I wrote it And here it is all hand written cover and all 14 years in the making Damn why so long **Life of her Most Gracious Majesty the Queen** Sarah Tytler,2018-04-05 Reproduction of the original Life of her Most Gracious Majesty the Queen by Sarah Tytler **Life Of Her Most Gracious Majesty The Queen Vol.1** Sarah Tytler,2023-07-01 Life of Her Most Gracious Majesty the Queen Vol 1 is a biography by Sarah Tytler that takes you through the life of Queen Victoria from modern history With deeper research and a unique narrative style the author brings Queen Victoria s initial years and later her adulthood that puts readers with a deep understanding of a strong woman who changes her era completely The book covers Queen Victoria s formative years beginning with her birth and mapping her journey through her childhood days adolescence and time period of her reign You will take a deep dive into her struggles with self doubt her family relationships and being a monarch her dedication to fulfill her duties The author s diligent attention to highlight and her ability to save Victoria s emotions and inner thoughts make this biography a rich reading experience Isn t it interesting to learn about Queen Victoria The story is a complete portrait of a remarkable woman who left an indelible mark on British history **Life of Her Most Gracious Majesty the Queen (Vol. 1&2)** Sarah Tytler,2023-12-18 In Life of Her Most Gracious Majesty the Queen Vol 1 2 Sarah Tytler offers an intricate biographical narrative that delves deep into the life and reign of Queen Victoria Drawing from an extensive array of contemporary sources Tytler presents a vivid tableau of the political social and cultural climate of the Victorian era With eloquent prose and meticulous research the author creates a portrayal that resonates with the reader s imagination while maintaining scholarly rigor This multifaceted account weaves together personal anecdotes historical events and social issues making it both informative and engaging set against the rich
