Queen Of Peace Room:

The Queen of Peace Room Magie Dominic, 2009-10-21 What is memory and where is it stored in the body Can a room be symbolic of a lifetime Memories are like layers of your skin or layers of paint on a canvas In The Queen of Peace Room Magie Dominic peels away these layers as she explores her life that of a Newfoundlander turned New Yorker an artist and a writer and frees herself from the memories of her violent past On an eight day retreat with Catholic nuns in a remote location safe from the outside world she exposes and captures fifty years of violent memories and weaves them into a tapestry of unforgettable images The room she inhabits while there is called The Queen of Peace Room it becomes for her a room of sanctuary She examines Newfoundland in the 1940s and 1950s and New York in the 1960s her confrontations with violence incest and rape the devastating loss of friends to AIDS and the relationship between life and art These memories she finds stored alongside memories of nature s images of trees pulling themselves up from their roots and fleeing the forest storms and ley lines and skies bursting with star like eyes In The Queen of Peace Room from a very personal perspective Magie Dominic explores violence against women in the second half of the twentieth century and in doing so unearths the memory of a generation In eight days she captures half a century The Peaceful Queen B. A. Rothwell, 2011-09-15 On the small lopsided planet Courtimie there has not been a war for two hundred years Above all else the planets diverse inhabitants value peace They appreciate the worlds rulers for maintaining peace But this warless calm does not mean everything that happens on Courtimie is honorable Orno Tremsmel is a modest elderly man who lives with his young life friend Shemsmell in a country where everyone believes that no girls have been born for decades When Orno is invited to accompany his nations king to the nation of Thro and visit Princess Zeringe on her wedding day he is immersed in an influential environment hes never been invited into before Suddenly this world reveals to him a dark secret and a conniving aristocracy which bend their own rules to ensure their existence On a planet that values the preservation of peace above all else the deception that Orno witnesses unveils new responsibilities to him He takes on the challenge to combat the manipulation that exists where Courtimies inhabitants believe there is only serenity *THE QUEEN OF PEACE VISITS MEDUGORJE* JOSEPH A.
