Ford,2005-07-05 Step into the Wardrobe This peerless companion has served as an adventurer s passport to the land of Narnia for twenty five years and was used by the cast and crew of the major motion picture The Chronicles of Narnia The Lion the Witch and the Wardrobe From Aslan the Great Lion to Zardeenah the mysterious lady of the night this comprehensive accessible book contains hundreds of alphabetically arranged and indexed entries covering all the characters events places and themes that Lewis brilliantly wove into his timeless and magical world For readers of all ages this is the perfect guide for the enchanted world of C S Lewis s The Chronicles of Narnia Aslan's Call Mark Eddy Smith,2005-01-01 I m told there is a lion who wants to meet with me I am told that he is fierce and unpredictable and very large I have known about him for most of my life and at times I ve believed I caught a glimpse of his shadow but I have yet to actually meet him face to face His name is Aslan and it s possible that you ve heard of him C S Lewis has created a wonderful place a place where anything can happen Even the stones can talk In Aslan s Call Mark Eddy Smith shows you how in this fanciful world you can discover the truest reality In the children who travel to Narnia you can find yourself In Aslan you can find Christ And in the place of Narnia you can find the very adventure for which God made you *Blur* Jeffrey Keuss,2014-02-04 BETTER INFORMED BETTER EQUIPPED TO MINISTER to today s blurred youth culture Mobile Connected Wired in This is a generation that skips over perceived cultural boundaries and resists definition They are a mash up of identity a blur of old categories and classes Creators and consumers of a rapidly changing culture But how does one reach a demographic that is so difficult to pin down Many of the most popular approaches to youth ministry today begin by portraying youth as collections of fixed snapshots profiles based on sociological research studies Yet according to Dr Jeff Keuss today s teens cannot be adequately characterized by these simplistic and static descriptions Keuss argues that what is needed instead is a qualitative approach to describing young people one that recognizes the blurred nature of today s mobile youth culture Jeff Keuss presents an optimistic new way of thinking about youth one that sees them more holistically and less clinically As we learn to see youth culture through this new lens we will become better informed and better equipped to minister to the teens of today s rapidly changing world **Bedeveled** Colin Duriez,2015-03-25 The battle between good and evil in both the seen and unseen worlds was clearly at play in the era of C S Lewis J R R Tolkien and their friends in the Oxford literary group the Inklings Colin Duriez delves into this interplay exploring the literature and thought of these writers in regard to evil and spiritual warfare particularly during wartime **Mere Humanity** Donald T.
