Larry Moyer, Author and evangelistic speaker R Larry Moyer shows pastors and speakers how to communicate the good news In twenty seven helpful chapters he explains why expository evangelistic preaching is so important and offers guidance for compellingly delivering the message of the gospel A New and Ancient Evangelism Judith Paulsen, 2024-06-25 Christianity Today 2025 Award of Merit Apologetics Evangelism 2025 Annual Word Awards Finalist Academic An engaging narrative packed with the kind of wisdom that if heeded could truly turn the world upside down Christianity Today Evangelism has a bad reputation It s been loaded with sales tactics market analysis and high pressure psychology an approach that often flattens other cultures and dishonors those we want to reach Evangelizers are encouraged to believe that everything depends on their understanding of the gospel and their powers of persuasion No wonder so few people want to get involved in sharing the faith This book recovers the ancient tradition of the church s evangelism rooted in the conversion stories of the Bible to offer a truly biblical understanding of evangelism Drawing on twenty five years of experience teaching evangelism to laypeople and ministry students Judith Paulsen shows that God uses ordinary people of faith within their everyday spheres of influence to draw people to himself She helps readers share the good news in a way that is authentic respectful and ideally suited to the cultural dynamics of today s world Above all she places the real work of evangelism where it belongs with the God who is still at work calling people to himself This

Cochran, 2009-10-01 How true can Christianity really be In a culture where religion and real life often occur in completely different times and places the question troubles many Christians How can we give the reason for the hope that we have amid the many voices telling us that Christianity might be helpful or interesting but not really true for anyone except Christians Why should we ourselves bother with a

religion so insubstantial that it is only legitimate within our own minds People with real sins require a real savior not merely inspiring stories and advice on how to live As *Though It Were Actually True* provides Christians with an introduction to the age old practice of apologetics the rational defense of Christianity as objective truth It explores some of the most important issues on which the Church finds itself in conflict with today s culture through a combination of critical reasoning evidence and the law written on our hearts By providing a philosophical foundation that is reasonable a historical foundation that is factual and a theological foundation that is biblical this book will help equip Christians to contend for their faith against the shallow and deceptive philosophies that seek to undermine it *I'm Glad You Asked* Kenneth Boa, Larry Moody, 1995-03 How does one effectively deal with the tough questions which arise when one is asked to defend Christianity How do we learn to speak the truth effectively This bestselling book published in 1982 will not only help believers understand the strength of their position but will ultimately help those who are searching to discover Christ *Questioning Evangelism, 3rd edition* Randy Newman, 2023-01-17 You don t need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn t force answers upon people He asked questions So why don t we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School *Questioning Evangelism* steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day *Chosen People Ministries* *Unlikely Converts* Randy Newman, 2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they re sure will never come to faith Whether they re too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don t seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He s been tongue tied and timid too But the truth is we don t need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and

includes a plan of action In the end Unlikely Converts encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message **Thoughtful Proclaimer**
Elizabeth Wright Anderson,2017-10-23 Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commanders intent Gods purpose for every passage of scripture Gods intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners Going Public with Your Faith William Carr Peel,2004 Walks groups through an evangelistic method that respects the unique relationships they have with their coworkers clients or customers The Legislative Assembly Debates India.
