Raising Cain W. T. Lhamon, 2000      *Da Capo Best Music Writing 2005* JT LeRoy, 2009-04-27 *Da Capo Best Music Writing* has become one of the most eagerly awaited annuals of them all Celebrating the year in music writing by gathering a rich array of essays missives and musings on every style of music from rock to hip hop to R B to jazz to pop to blues and more it is essential reading for anyone who loves great music and accomplished writing Scribes of every imaginable sort novelists poets journalists musicians are gathered to create a multi voiced snapshot of the year in music writing that like the music it illuminates is every bit as thrilling as it is riveting Past writers have included Elizabeth MEndez Berry Ta Nehisi Coates Michael Corcoran Robbie Fulks Michaelangelo Matos Alex Ross Roni Sarig Joel Selvin Tour8E Lynn Hirschberg Chuck Klosterman Elizabeth Gilbert Jay McInerney Elvis Costello Susan Orlean Jonathan Lethem David Rakoff Mike Doughty Lorraine Ali Greil Marcus Richard Meltzer Robert Gordon Sarah Vowell Nick Tosches Anthony DeCurtis William Gay Whitney Balliett Lester Bangs Rosanne Cash Eddie Dean Selwyn Seyfu Hinds Kate Sullivan Alec Wilkinson David Hadju Lenny Kaye The Onion Mark Jacobson Gary Giddins John Leland Luc Sante Monica Kendrick Kalefa Sanneh      *Colonial-Era Caribbean Theatre* Julia Prest, 2023-07-28 Cutting across academic boundaries this volume brings together scholars from different disciplines who have explored together the richness and complexity of colonial era Caribbean theatre The volume offers a series of original essays that showcase individual expertise in light of broader group discussions Asking how we can research effectively and write responsibly about colonial era Caribbean theatre today our primary concern is methodology Key questions are examined via new research into individual case studies on topics ranging from Cuban blackface commedia dell arte in Suriname and Jamaican oratorio to travelling performers and the influence of the military and of enslaved people on theatre in Saint Domingue Specifically we ask what particular methodological challenges we as scholars of colonial era Caribbean theatre face and what methodological solutions we can find to meet those challenges Areas addressed include our linguistic limitations in the face of Caribbean multilingualism issues raised by national geographical or imperial approaches to the field the vexed relationship between metropole and colony and crucially gaps in the archive We also ask what implications our findings have for theatre performance today a question that has led to the creation of a new work set in a colonial theatre and outlined in the volume s concluding chapter      *With Amusement for All* LeRoy Ashby, 2006-05-12 Popular culture is a central part of everyday life to many Americans Personalities such as Elvis Presley Oprah Winfrey and Michael Jordan are more recognizable to many people than are most elected officials *With Amusement for All* is the first comprehensive history of two centuries of mass entertainment in the United States covering everything from the penny press to Playboy the NBA to NASCAR big band to hip hop and other topics including film comics television sports dance and music Paying careful attention to matters of race gender class technology economics and politics LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture revealing that the world of

entertainment constantly evolves as it tries to meet the demands of a diverse audience Trends in popular entertainment often reveal the tensions between competing ideologies appetites and values in American society For example in the late nineteenth century Americans embraced self made men such as John D Rockefeller and Andrew Carnegie the celebrities of the day were circus tycoons P T Barnum and James A Bailey Wild West star Buffalo Bill Cody professional baseball organizer Albert Spalding and prizefighter John L Sullivan At the same time however several female performers challenged traditional notions of weak frail Victorian women Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance Ashby describes how history and politics frequently influence mainstream entertainment When Native Americans blacks and other non whites appeared in the nineteenth century circuses and Wild West shows it was often to perpetuate demeaning racial stereotypes crowds jeered Sitting Bull at Cody s shows By the early twentieth century however black minstrel acts reveled in racial tensions reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes before a predominantly white audience Decades later Red Foxx and Richard Pryor s profane comedy routines changed American entertainment The raw ethnic material of Pryor s short lived television show led to a series of African American sitcoms in the 1980s that presented common American experiences from family life to college life with black casts Mainstream entertainment has often co opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries Social control and respectability vied with the bold erotic sensational and surprising as entrepreneurs sought to manipulate the vagaries of the market control shifting public appetites and capitalize on campaigns to protect public morals Rock n Roll was one such fringe culture in the 1950s Elvis blurred gender norms with his androgynous style and challenged conventions of public decency with his sexually charged performances By the end of the 1960s Bob Dylan introduced the social consciousness of folk music into the rock scene and The Beatles embraced hippie counter culture Don McLean s 1971 anthem American Pie served as an epitaph for rock s political core which had been replaced by the spectacle of hard rock acts such as Kiss and Alice Cooper While Rock n Roll did not lose its ability to shock in less than three decades it became part of the established order that it had originally sought to challenge With Amusement for All provides the context to what Americans have done for fun since 1830 showing the reciprocal nature of the relationships between social political economic and cultural forces and the way in which the entertainment world has reflected refracted or reinforced the values those forces represent in America

**The English Clown Tradition from the Middle Ages to Shakespeare** Robert Hornback, 2013 A new account of medieval and Renaissance clown traditions reveals the true extent of their cultural influence From the late medieval period through to the seventeenth century English theatrical clowns carried a weighty cultural significance only to have it stripped from them sometimes violently by the close of the Renaissance when the famed license of fooling was effectively revoked This

groundbreaking survey of clown traditions in the period looks both at their history and reveals their hidden cultural contexts and legacies it has far reaching implications not only for our general understanding of English clown types but also their considerable role in defining social religious and racial boundaries It begins with an exploration of previously un noted early representations of blackness in medieval psalters cycle plays and Tudor interludes arguing that they are emblematic of folly and ignorance rather than of evil Subsequent chapters show how protestants at Cambridge and at court during the reigns of Henry VIII and Edward patronised a clownish iconoclastic Lord of Misrule look at the Elizabethan puritan stage clown and move on to a provocative reconsideration of the Fool in King Lear drawing completely fresh conclusions Finally the epilogue points to the satirical clowning which took place surreptitiously in the Interregnum and the sometimes violent end of licensed folly Professor ROBERT HORNBACKE teaches in the Departments of Literature and Theatre at Oglethorpe University

Jones, 2014-07-09 In *The Captive Stage* Douglas A. Jones Jr argues that proslavery ideology remained the dominant mode of racial thought in the antebellum north even though chattel slavery had virtually disappeared from the region by the turn of the nineteenth century and that northerners cultivated their proslavery imagination most forcefully in their performance practices Jones explores how multiple constituencies ranging from early national artisans and Jacksonian wage laborers to patrician elites and bourgeois social reformers used the stage to appropriate and refashion defenses of black bondage as means to affirm their varying and often conflicting economic political and social objectives Joining performance studies with literary criticism and cultural theory he uncovers the proslavery conceptions animating a wide array of performance texts and practices such as the Bobalition series of broadsides blackface minstrelsy stagings of the American Revolution reform melodrama and abolitionist discourse Taken together he suggests these works did not amount to a call for the re enslavement of African Americans but rather justifications for everyday and state sanctioned racial inequities in their post slavery society Throughout *The Captive Stage* elucidates how the proslavery imagination of the free north emerged in direct opposition to the inclusionary claims black publics enacted in their own performance cultures In doing so the book offers fresh contexts and readings of several forms of black cultural production including early black nationalist parades slave dance the historiography of the revolutionary era the oratory of radical abolitionists and the black convention movement and the autobiographical and dramatic work of ex slave William Wells Brown *Making Oscar Wilde* Michèle Mendelssohn, 2018 Packed with new evidence *Making Oscar Wilde*
