Raising The Standard A Practical Discipleship Course:

Raising the Standard Colin Salter, 2010 Periodical Accounts Relating to the Foreign Missions of the Church of the United Brethren, 1905 **Living Radical Discipleship** Laura S. Meitzner Yoder, 2021-01-31 John Stott's legacy of faithful Christian discipleship continues to impact Christians on every continent and in every sphere of life. This book pays homage to that legacy and to Stott's unwavering commitment to Christ's transformative Lordship over all facets of existence, especially those we may find particularly convenient to ignore. In this collection of essays, integral mission scholars and practitioners from around the world, many of whom knew John Stott personally and worked with him extensively, reflect on several of the concerns that developed and deepened over the course of Stott's life, reminding us that Christian obedience must include caring for God's creation, engaging in social action and advocacy, and supporting church leadership of the Majority World. **Living Radical Discipleship** calls us to repentance, to recommitment, and to wholehearted discipleship. Digital Media and Youth Discipleship Vo Huong Nam, 2023-06-30 Today's youth grow up immersed in digital technology. This presents a unique challenge to the church as it seeks to faithfully make disciples of the next generation. What does it look like, theologically and practically, to minister contextually to those whose lives are permeated by social media and digital culture? In this in-depth study, Dr. Vo Huong Nam offers both social and theological insight into the task of discipling youth in the digital age. He examines the impact of digital media on both society and young people and offers an overview of Christian responses to the changing technological landscape. Engaging such authors as John Calvin, Dietrich Bonhoeffer, and Henri Nouwen, he develops a constructive theology of spiritual formation relevant to the context of twenty-first century youth. He explores the implications of this theology on church practice, urging the church to take seriously its call to be all things for all people. Drawing specific examples from youth ministry in Vietnam, he addresses practical questions of application and contextualization and suggests that silence, solitude, and prayer are spiritual disciplines uniquely vital for the digital age. This book is an important resource for all those involved in discipling young people and longing to see today's youth come to fullness of life in Christ.
