but from that of the Mexican attackers as well We follow Blas Montoya a sergeant in an elite sharpshooter company as he fights to keep his men alive not only in the inferno of battle but also during the long forced march north from Mexico proper to Texas And through the eyes of the ambitious mapmaker Telesforo Villasenor we witness the cold deliberations of General Santa Anna Filled with dramatic scenes abounding in fictional and historical personalities among them James Bowie David Crockett and William Travis The Gates of the Alamo enfolds us in history and through its remarkable and passionate storytelling allows us to participate at last in an American legend
