The Writer's Quotebook Jim Fisher, 2006 If you have ever stared a page that remains stubbornly blank if you have ever wondered why writers write or whether good writers are born or made if you are a novelist playwright poet or journalist or simply delight in the written word The Writer's Quotebook is for you Whether you keep it in your office on your coffee table next to your keyboard or your bed this rich compendium of over one thousand quotations will inspire invigorate and illuminate the often challenging sometimes humorous but always fascinating task of those who bring words to life From William Faulkner and Ernest Hemingway to Doris Lessing and Joyce Carol Oates more than five hundred published writers put pen to paper on what the literary life is all about Selections come from seasoned professionals as well as those just establishing their voice and they represent a variety of nationalities and genres The book is divided into three sections The first part is devoted to the creative process including thoughts on where writers get their ideas the role of inspiration what kind of people write and where talent comes from In part two the subject shifts to writing as a craft Here authors ponder the creation of protagonists and points of view the writing of dialogue setting and description creating plots and the anatomy of style The final third of the book deals with the challenges and rewards that come with the writing life Subjects in this section include the economic realities of writing classes conferences and workshops dealing with rejection and bad reviews writing habits and rituals despair alcohol suicide and fame Articulated with elegant metaphor in straightforward prose or with wry wit the carefully selected and thoughtfully organized quotations come together to form a narrative that entertains informs and in the case of aspiring writers shows the way to better writing

The Little Red Writing Book Mark Tredinnick, 2006 A manual of good diction composition sentence craft paragraph design structure and planning this is a book on technique style craft and manners for everyone who writes and wants to do it better It is a guide to lively and readable writing

Research in Basic Writing Martin Jacobi, Michael G. Moran, 1990-02-15 This reference handbook surveys research on the central issue associated with the teaching of unprepared writers Though basic writing has only been recognized as a distinct area of teaching and research since 1975 the existing bibliographic texts already seem limited due to their age or lack of annotation This volume provides current and extensive bibliographic essays and will help to define this new field of study for teachers and researchers Following an introduction that summarizes the origins and significant texts in basic writing the book is divided into three sections Social Science Perspectives Linguistic Perspectives and Pedagogical Perspectives The first section which contains three essays views the field through the lens of social psychological and political issues The second section also containing three essays examines contributions made from studies of grammar dialects and second language acquisition The third section in its four essays focuses on the design development administration and evaluation of basic writing courses the use of

computers in basic writing classrooms the role of the writing lab and the preparation of basic writing teachers An appendix that reviews current textbooks for basic writing courses is also included as well as an index This book will be a valuable resource for teachers of basic writing in education courses and workshops that train teachers and tutors and in fields such as linguistics technical writing and Teaching English as a Second Language It will also be an important addition to public and university libraries and many education programs
