**Random** Penn Jillette, 2022-10-11 From Penn Jillette of the legendary magic duo Penn Teller a rollicking crime caper that will bend your mind like a spoon Penn Jillette is an atheist triple goddamned lunatic and his book is a glorious Las Vegas lunatic paean to chance and adventure a page turning scabrous hilarious ride into randomness Neil Gaiman Jillette s latest novel Random is about a young man who inherits his father s crushing debt to a loan shark and turns to dice and other dangerous measures to dig himself out That the dice bring him luck sends him a new philosophy of leaving decisions both big and small up to chance New York Times Two weeks before his twenty first birthday Las Vegas native Bobby Ingersoll finds out he s inherited a crushing gambling debt from his scumbag father The debt is owed to an even scummier bag named Fraser Ruphart who oversees his bottom rung criminal empire from the classy adjacent Trump International Hotel Bobby s prospects of paying off the note which comes due the day he turns twenty one are about as dim as the sign on the hotel s facade The two weeks pass in the blink of a snake eye but before Bobby s luck runs out he stumbles upon enough cash to pay off Ruphart and change his family s fortune More importantly he finds himself with a new for lack of a better word faith Bobby does not consign his big break to a higher power what Penn Jillette hero ever could Instead he devises and devotes himself to Random a philosophy where his life choices are based entirely on the roll of his lucky dice What follows is a rollicking exploration into not so much what defines us as what divines us when we give over every decision from what to eat to whom to marry to how or when to die to the random fall of two numbered cubes Random combines the intellectual curiosity of Richard Dawkins with the humor and grit of an Elmore Leonard antihero Jillette s up on his luck Ingersoll is the character we need to help us navigate the chaos of the post truth era Well unless his roll runs cold

**Spectacular Sins** John Piper, 2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not

answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what is at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they'll be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him

*Defrocking the Devil* Thomas J. Boynton, 2011-03 *Defrocking the Devil* Theology of Fear is a brief history of the last 2 500 years of monotheism using the actual words of the men who claimed to know the devil figure most intimately From Peter to Constantine to Martin Luther to our present day theologians these men and hundreds more included in this book supported the early Church fathers arguments for the inclusion of Satan into Christian polemics A dualism appeared in the story of Jesus immediately after his crucifixion Instead of tirelessly promoting the Christian message of love thy neighbor as thyself a new spiritual equation of hate torture and murder entered the theological landscape *Defrocking the Devil* is an attempt to puncture the myths surrounding the words evil devil and hell Two thousand years after the birth of Christianity and fourteen hundred years after the start of Islam hundreds of millions of people currently living on this planet are in real fear of one day ending up down in the devil's lair How did Christian belief in Jesus become conditional upon the existence of fictional beings and wicked subterranean places *Defrocking the Devil* seeks to illuminate the darkness and empower all people of faith to move beyond theologies that advocate violence into the spiritual equation There have been many books written about this dark side of Western theology but few historians do much more than recount its bloody genocidal history *Defrocking the Devil* actively seeks to tear down such religious dogmas by using the very words of those who extolled such a hurtful anti Christian philosophy

**The Real Name of God** Rabbi Wayne Dosick, 2012-05-29 Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God's real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God Of the many names of God commonly used in the Bible and other sacred literature none is God's real name Every God name including YHWH reflects only one of God's many aspects such as the loving creator the militaristic authoritarian or the all knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can't truly know something until you know its name how can we truly know God The culmination of years of translation research and etymological investigation Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within

each of us This in depth exploration of God s name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all

**The Spirit World of Demons** Veronica Johnson,2018-02-23 This book is based upon the true discernment I have encountered with demonic dwellings my steps with god and past relations of the heart I am no psychologist I am a person who has experienced these behavior types Not to use the solemn Rite of Exorcism for entertainment of course any exposure can endanger future satanic attacks on victims who suffer This book is to give people who struggle with demon possession an open dialog I hope the people struggling can reprogram the conscious and subconscious with true discernment and overcome affliction addiction Changing the way the mind thinks is a step by step process and it is possible to start today My experiences empower me to impact diligently while walking through spiritual warfare Most people get overwhelmed when talking about evil spirits also known as enemies So much so no one came close to the raw edge I have been able to capture in this book No one wants to love enemies once they have overstepped boundaries through the affair of matters dear to the heart The religious talk about the mental disorder without acknowledging effective usage of the sixth sense is needed to truly believe Many people suffer from this disorder inside and outside the church And don t acknowledge it as trial tests which leaves their sense of a higher authority surrounded by fears This will allow people suffering to face fears and acknowledge things they cannot gracefully explain God would rather you forgive the enemy seventy times seven and he doesn t intend for anyone to avoid reconciliation with enemies Because he doesn t believe anyone s pure intent should become distorted My prior book The Unlimited Resurrection formed the basis of this book To avoid murmuring over spiritual warfare I wanted to face the enemy s reconciliation by bringing it to a general perspective My central message is derived from having an effect and reason for topics of interest This message usually affects people in multiple areas of life daily and reveals how it is possible to visualize things differently Once you have researched current topics to find an effect and reason for writing a book the next option is reviewing how people from the past dealt with the same issues Along with acknowledging God s plan and purpose for your life Most times you can start with a testimony to guide you through the emotions of writing

illness she offers a reflective yet innovative view of whether the Church could or should intervene in such encounters and what such an intervention might look like Hessamfar's comprehensive work will provoke powerful responses from anyone interested in the prominent social issue of mental illness Her portrayal of the raging debate between treating insanity either pastorally or medically will enthrall readers be they Christians medical students or those in the field of psychiatry and social sciences

Useless Beauty Robert K. Johnston, 2011-12-16 A wise old adage of faith states Read the newspaper in one hand and the Bible in the other The slogan is an invitation to notice the complex engagement of faith and culture In *Useless Beauty* Johnston takes up the interface of faith and culture with specificity and immediacy His discussion permits an instructive dialogue whereby we read Ecclesiastes differently and we read contemporary film with fresh eyes of faith Neither the text nor the films can be easily dismissed as absurd Both are thickened and we are driven deeper in our self-discernment by the process Johnston's alertness and urbaneness constitute a model for faith that is not simplistic and a model for culture that is not thin or transparent Walter Brueggemann Columbia Theological Seminary Johnston reads Ecclesiastes with a rich postmodern hermeneutic not the more common simplistic linear moralistic or formulaic approach that threatens to drown Bible readers in the shallows His reading has great value for people seeking new ways to find meaning in Scripture Personally it helped me weave my life experience with my viewing of film and my reading of the Bible and it left me feeling alive and energized Brian McLaren pastor crcc.org and author anewkindofchristian.com Johnston weaves the wisdom of Ecclesiastes into contemporary narrative films and vice versa merging theology and film into a smart and insightful dialogue to enhance understanding of both William D. Romanowski Calvin College author of *Eyes Wide Open* Some of the most helpful contemporary interpretation of Scripture comes from those who look at the text with eyes other than those of the biblical scholar Johnston's interpretation of Ecclesiastes through the lens of film is an excellent example The text comes to life in the interaction he creates with the narratives of major contemporary movies They in turn are better understood by the careful theological interpretation Johnston gives them through the lens of Ecclesiastes The possibilities for preaching and teaching are obvious Patrick O. Miller Princeton Theological Seminary This book is a well-informed and sensitive example of how in our uncertain and contradictory times to engage film and Scripture without denying the integrity of either It is highly recommended Rikk E. Watts Regent College
