Ranger Born A Memoir Of Combat And Valor From Korea To Vietnam:

A Ranger Born Robert W. Black, 2007-12-18 Even as a boy growing up amid the green hills of rural Pennsylvania Robert W Black knew he was destined to become a Ranger With their three hundred year history of peerless courage and independence of spirit Rangers are a uniquely American brand of soldier one foot in the military one in the wilderness and that is what fired Black s imagination In this searing inspiring memoir Black recounts how he devoted himself body and soul to his proud service as an elite U S Army Ranger in Korea and Vietnam and what those years have taught him about himself his country and our future Born at the start of the Great Depression Black grew up on a farm at a time of great hardship but also tremendous national determination He was a kid who toughened up fast who learned the hard way to rely on his strength and his wits who saw the country go to war with Germany and Japan and wept because he was too young to serve As soon as the army would take him Black enlisted And as soon as he could muscle his way in he became a Ranger As a private first class in the 82d Airborne Division headquarters Black withstood the humiliations of enlisted service in the peacetime brown shoe army When the Korean War began he volunteered and trained to be an Airborne Ranger In Korea this young warrior his mind and body bursting with the lusts of adolescence grew up fast literally in the line of fire In clean vivid prose Black describes the hell of giving his all for a country that lacked the political resolve to give its all to a war against the North Koreans and the Chinese If Korea was frustrating Vietnam was maddening The heart of this book is devoted to the years of action that Black saw in Long An Province starting in 1967 Black writes of the perplexity of collaborating with South Vietnamese officers whose culture and motives he never fully understood he conjures up the sudden shock of the Tet Offensive and the daily horror of seeing fellow soldiers and innocent civilians slaughtered sometimes by stray bullets often by carelessness or treachery Vietnam challenged everything Black had come to believe in and left him totally unprepared for the hostility he would face when he returned to a war weary America Written with extraordinary candor and passion **A Ranger Born** is the memoir of a man who dedicated the best of his life to everything that is great and enduring about America At once intimate in its revelations and universal in its themes it is a book with profound relevance to our own troubled time in history

Rangers in Korea Robert W. Black, 2010-12-29 A generation before Vietnam the war for Korea raged It was as rough and dirty a war as has ever been fought a war small in history but very large to the men who waged it In the Korean War one group above all others distinguished itself a small elite band who volunteered for action behind enemy lines They were the men of the U S Army s legendary Rangers They succeeded in making the first combat jump in Ranger history destroying enemy headquarters and inflicting the first defeat on Communist Chinese forces while suffering a disproportionate number of casualties This is their story told here for the first time based on military records interviews with survivors and the author s personal experiences as an American Ranger in the Korean War

Blood on the Risers John Leppelman, 2010-05-26 In three straight years he was a paratrooper and army seaman and a LRRP and he lived to tell about it As an FNG paratrooper in the 173d Airborne John Leppelman made that unit s only combat jump in Vietnam Then he spent months in fruitless search of the enemy watching as his buddies died because of poor leadership and lousy weapons Often it seemed the only way out of the carnage in the Central highlands was in a body bag But Leppelman did get out transferring first to the army s riverboats and then the all volunteer Rangers one of the ballsiest units in the war In three tours of duty that ended only when malaria forced him back to the States Leppelman saw the war as few others did a Vietnam that many American boys didn t live to tell about but whose valor and sacrifice survive on these pages

paratroopers air assault mechanized light rangers and marines In each case study Bolger emphasizes the quality and preparation making it quite clear that will without skill and motivation without competence are certain routes to disaster While praising today's infantry as the best the country has ever fielded Bolger raises the prospect that the U S military by emphasizing technology and economy will leave the country with an elite infantry too small to sustain heavy losses and too specialized to be quickly replaced Publishers Weekly DEATH GROUND Today's American Infantry in Battle **Americans at War** James R.
