Waring**

Rape Of Venice:

The Rape of Venice Dennis Wheatley, 1971 **The rape of Venice, Dennis Wheatley** Dennis Wheatley, 1959 **Sex, Dissidence and Damnation** Jeffrey Richards, 2013-09-13 For the authorities in medieval Europe dissent struck at the roots of an ordered settled world It was to be crushed initially by reason and argument eventually by torture Jeffrey Richards examines the wretched lives of heretics witches Jews lepers and homosexuals and uncovers a common motive for their persecution sexual aberrance *How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One* Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it **Medieval Women and the Law** Noël James Menuge, 2003 Legal records illuminate womens use of legal processes with regard to the making of wills the age of consent rights concerning marriage and children women as traders etc Determined and largely successful effort to read behind and alongside legal discourses to discover women s voices and women s feelings It adds usefully to the wider debate on women s role in medieval society ENGLISH HISTORICAL REVIEW What is really new here is the ways in which the authors approach the history of the law they use some decidedly non legal texts to examine legal history they bring together historical and literary sources and they debunk the view that medieval laws had little to say about women or that medieval women had little legal agency ALBION The legal position of the late medieval woman has been much neglected and it is this gap which the essays collected here seek to fill They explore the ways in which women of all ages and stations during the late middle ages c 1300 c 1500 could legally shift for themselves and how and where they did so Particular topics discussed include the making of wills the age of consent rights concerning marriage care custody and guardianship with particular emphasis on the rights

of a mother attempting to gain custody of her own children within the court system women as traders women as criminals prostitution the rights of battered women within the courts the procedures women had to go through to gain legal redress and access rape and women within guilds NOELJAMES MENUGE gained her Ph D from the Centre of Medieval Studies at the University of York Contributors P J P GOLDBERG VICTORIA THOMPSON JENNIFER SMITH CORDELIA BEATTIE KATHERINE J LEWIS NOEL JAMES MENUGE CORINNE SAUNDERS KIM M PHILLIPS EMMA HAWKES *Rape and Woman's Identity* William B. Sanders, 1980-07 Rape is an assault on a woman's identity reputation and sense of self according to the author Sanders originally intended to study the interaction of police and rape victims but found it necessary to widen the scope of his research to include the legal cultural and social context of rape its typical physical process the reasons for it and its effect on victims What emerges is a study of rape from every possible viewpoint one that leads the author to a discussion of sex role and self in society Altogether this book is eminently readable It is written in a simple comprehensive style very rare in works employing a dramaturgical ethnomethodological approach The chapters and sections are short and peppered

Confronting Rape Nancy A. Matthews, 2005-11-28 Public thinking about sexual assault over the last two decades has changed dramatically for the better Activists in rape crisis centers can claim a feminist success story but not always as they would choose Through her study of six rape crisis centers in Los Angeles Nancy Matthews shows how the State has influenced rape crisis work by supporting the therapeutic aspects of the anti rape movement's agenda and pushing feminist rape crisis centers towards conventional frameworks of social service provision while ignoring the feminist political agenda of transforming gender relations and preventing rape

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

Catalogue of Photographs Albert A. Hopkins, 1901 **Sexuality in Medieval Europe** Ruth Mazo Karras, 2017-01-20 Challenging the way the Middle Ages have been treated in general histories of sexuality Sexuality in Medieval Europe shows how views at the time were conflicted and complicated there was no single medieval attitude

towards sexuality any more than there is one modern attitude Focusing on marital sexual activity as well as behavior that was seen as transgressive the chapters cover such topics as chastity the role of the church and non reproductive activity Combining an overview of research on the topic with original interpretations Ruth Mazo Karras demonstrates that medieval culture developed sexual identities that were quite distinct from the identities we think of today yet were still ancestral to our own Using a wide collection of evidence from the late antique period until the fifteenth century this fully revised third edition has been updated to include the latest scholarship throughout including expanded coverage of Islamic and Jewish cultures and new ideas on how medieval sexual violence relates to the modern world A new companion website supplements the text featuring an interactive timeline of key events links to key primary sources and references to further reading *Sexuality in Medieval Europe* is essential reading for those who study medieval history and culture [Women in Medieval Europe](#) Jennifer Ward,2014-06-11 Women in Medieval Europe were expected to be submissive but such a broad picture ignores great areas of female experience Between the thirteenth and fifteenth centuries women are found in the workplace as well as the home and some women were numbered among the key rulers saints and mystics of the medieval world Opportunities and activities changed over time and by 1500 the world of work was becoming increasingly restricted for women Women of all social groups were primarily engaged with their families looking after husband and children and running the household Patterns of work varied geographically In the northern towns women engaged in a wide range of crafts with a small number becoming entrepreneurs Many of the poor made a living as servants and labourers Prostitution flourished in many medieval towns Some women turned to the religious life and here opportunities burgeoned in the thirteenth century The Middle Ages are not remote from the twenty first century the lives of medieval women evoke a response today The medieval mother faced similar problems to her modern counterpart The sheer variety of women s experience in the later Middle Ages is fully brought out in this book *Titian And Venetian Painting, 1450-1590* Bruce Cole,2018-03-05 This up to date well illustrated and thoughtful introduction to the life and works of one of the giants of Western Painting also surveys the golden age of Venetian Painting from Giovanni Bellini to Veronese and its place in the history of Western art Bruce Cole Distinguished Professor of Fine Arts at Indiana University and author of numerous books on Italian Renaissance art begins with the life and work of Giovanni Bellini the principal founder of Venetian Renaissance painting He continues with the paintings of Giorgione and the young Titian whose work embodied the new Venetian style Cole discusses and explains all of Titian s major works portraits religious paintings and nudes from various points of view and shows how Venetian painting of this period differed from painting in Florence and elsewhere in Italy and became a distinct and fully developed style of its own *The Medieval World* Peter Linehan,Janet L. Nelson,2013-09-13 This groundbreaking collection brings the Middle Ages to life and conveys the distinctiveness of this diverse constantly changing period Thirty eight scholars bring together one medieval world from many disparate worlds from Connacht to Constantinople and from Tynemouth to Timbuktu This extraordinary set of

reconstructions presents the reader with a vivid re drawing of the medieval past offering fresh appraisals of the evidence and modern historical writing Chapters are thematically linked in four sections identities beliefs social values and symbolic order power and power structures elites organizations and groups Packed full of original scholarship The Medieval World is essential reading for anyone studying medieval history The Italian Court in the Crystal Palace Sir Matthew Digby Wyatt, John Burley Waring, 1854 **The Rise and Fall of Rape on the English Stage** Anne Greenfield, 2024-08-19 This book examines one of the most pervasive and successful dramatic tropes of the Restoration and early eighteenth century sexual violence During this sixty year span there were over fifty tragic and tragi comedic productions that showcased rape and or attempted rape a remarkable number that was unprecedented in English dramatic history Rape was not merely depicted more frequently during the Restoration but it was also placed at the center of more plots given more pathetic emphasis and even staged more centrally Restoration dramatists were the first to revolve routinely entire plots around the rapes of their innocent heroines to give powerful voices to these heroines post rape and to imbue their sexually violent scenes with new and attention getting staging techniques such as discovery scenes As this book argues sexual violence emerged at this time as a highly flexible dramatic trope that could be used to illustrate terrifying political scenarios elicit extreme pathos in audiences and demonstrate the bearing that lost chastity had on social stability It is precisely the rich multi faceted appeal of these productions politically sexually visually and culturally that explains the popularity and significance of this dramatic trope on the English stage This book will be of interest to students and scholars in Restoration eighteenth century studies and theatre and performance studies **The Pacific Reporter** , 1920 **American Druggist and Pharmaceutical Record** , 1899 **London and Its Environs** Karl Baedeker (Firm), 1889 Venice's Intimate Empire Erin Maglaque, 2018-06-15 Mining private writings and humanist texts Erin Maglaque explores the lives and careers of two Venetian noblemen Giovanni Bembo and Pietro Coppo who were appointed as colonial administrators and governors In Venice s Intimate Empire she uses these two men and their families to showcase the relationship between humanism empire and family in the Venetian Mediterranean Maglaque elaborates an intellectual history of Venice s Mediterranean empire by examining how Venetian humanist education related to the task of governing Taking that relationship as her cue Maglaque unearths an intimate view of the emotions and subjectivities of imperial governors In their writings it was the affective relationships between husbands and wives parents and children humanist teachers and their students that were the crucible for self definition and political decision making Venice s Intimate Empire thus illuminates the experience of imperial governance by drawing connections between humanist education and family affairs From marriage and reproduction to childhood and adolescence we see how intimate life was central to the Bembo and Coppo families experience of empire Maglaque skillfully argues that it was within the intimate family that Venetians relationships to empire its politics its shifting social structures its metropolitan and colonial cultures were determined *Gardeners' Chronicle* , 1899
