Mattingly,2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away **Rapture's Rendezvous** Cassie Edwards,1999-01-12 When Maria leaves Italy on a ship to America she has no idea she is about to meet the only man she will ever love Michael is enraged by Nathan Hawkins unjust treatment of immigrant coal miners and is aboard the same ship to uncover information to end Hawkins reign of terror But when destiny brings Michael and Maria together neither can foresee that Maria would be Hawkins next pawn

God's Plan for the Ages, 2nd Edition David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don t have to guess The Bible spells out God s plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read

the book straight through or to skip around reading only those chapters whose topics appeal to you **God's Plan For Heaven, Eternity And The Universe Explained** David Cogburn,2024-07-20 Embark on a captivating journey through theological inquiry with God's Plan for Heaven Eternity and the Universe Explained This illuminating book delves into timeless questions offering profound insights on God the afterlife and the cosmos Navigating through religious beliefs and philosophical complexities the author unravels the mysteries of existence with clarity and wisdom From ancient myths to modern science each chapter invites contemplation on life's deepest mysteries Through engaging narratives and thought provoking analysis the book explores diverse religious perspectives uniting humanity's search for meaning More than a theological exploration it's a soulful quest for understanding drawing readers closer to the heart of God's plan Essential reading for those seeking enlightenment and deeper faith God's Man Plan Mike Taylor,2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I'm not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that's precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won't be able to give you the exact day or the exact hour of the coming events if I'm correct and I really think that I am in what I share within this book I'm totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you'll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God's Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you'll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God's man plan and thereby you will be better able to prepare for what lies ahead for all mankind The Planetary Exodus Daniel E Almonz,2003-10

Smith,2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege presents an inquiry and review of humanitys continuing efforts to gain hold of its Legacy The focus of the second portion of Gods Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery *God's Plan for Victory* R. J. Rushdoony,2009-11-09 Goals determine our present day action and if the purpose of our action is God s victory in history then we are all the more motivated in our actions Our goal is Christ s Kingdom and His purpose for humanity and the world Therefore our eschatology is vital for how we should govern our lives today The average Christian holds an eschatology of defeat with the only victory coming in heaven after we die or at Christ s return As far as history is concerned they are pessimillennialists Not so for postmillennialism which invigorates the Christian life with a victorious view of God s Kingdom in history so that each Christian finds the purpose needed to fuel their application of the faith in every area of life and thought God s Plan for Victory The Meaning of Postmillennialism is a concise statement of this victorious eschatology and why you should embrace it This third edition is expanded to include six appendices featuring other writings by R J Rushdoony on postmillennialism [Mystery of Tammuz 17](#) Herbert R. Stollorz,2005-02-19 The Bible predicts the future but scholars widely disagree on what the Bible says How can the average person sort out fact from fiction Daniel 12 10 boldly states that the wise will understand prophetic chronology in the last days Have those days already begun Retired hi tech

inventor and author Herbert R Stollorz discovered that the dates of many key events predicted in the books of Daniel and Revelation fall between the years 2008 and 2018 Two of the keys that unlocked this mystery are the Hebrew Alphabet Number System and the Jewish feast and fast days One of those fast days Tammuz 17 commemorates the fall of Jerusalem prior to the destruction of God s Temple in that ancient city *Palestine-Israel A Just Plan for Permanent Peace* Jamshid Farshidi,2009-05-16 Introduction The basic obligations of a state towards its nation s are to provide Justice control of powers of organizations or individuals peace advancement of understanding including science and economy Freedom although essential is secondary and a consequence of justice and control of powers Since its creation in 1948 Israel under Zionism Jewish Nationalism by reliance on international power s has become a state of abuse of powers inherited from world powers a place of anti humanity acts against the humane formal principles that it was founded on and a prophet of transfer forced migration of the nations who helped its people to be transferred in the region In short an inconsistency in the consistent humanity that arose from that region There is a new enlightenment in the world however due to post era realities of the events end of the cold war fall of the Soviet Union Christian revolution in Poland Islamic revolution in Iran uprisings in Islamic world such as Intifada uprising of Palestinians and rise of Al Qaeda defeat of Israel by Hesbollah in Lebanon and re evaluation of South American and African countries of their political and economical situations on one hand and catastrophes of war in Iraq and the military assault on Gaza Strip on the other hand Based on this enlightenment the people of the world adhere to i Demand for maintaining the holy land land of prophets as a sacred region for all three great religions of Judaism Christianity and Islam that have deep historical roots in the region by reliance on their practical objectives which are peace and justice for mankind and not on their subjective theological Ideas due to interpretations which may be wrong or unacceptable to the majority of the faithful for unification of humanity to promote peace and humanity justice around the world dominated by these three religions on one hand and to prevent disastrous events such as crusade wars or dominance by world powers such as Roman Empire on the other hand ii Remove the threat to the world peace and the strategy of human transfer in the Middle East created by the dominant secular Zionist Ideology that exploits Judaism and Christianity under the unfounded theology of Dispensationalism of John Nelson Darby devised before 1917 in Great Britain and presumed to be a basis for the Balfour declaration in 1917 iii Speak in a unified religious basis that the problem of Palestinian and Israelis can not be solved by ignoring the atrocities of Israeli government towards people of Palestine by killing them purposefully as a result of strategy of transfer looking at them inhumanely and using the historic anti humanity tactics of the king Herod around 18 BCE who killed and enslaved even Jews for the abuse of Roman Empire against them and instead obligate it to choose the humane tactics of Moses And on the spectrum of power require the United States as a Christian Country to choose between Roman Empire Ideas and the Jesus Ideas of humanity in its foreign policies The rights of Palestinians in all aspects should be realized as justice suggests and not as the power imposes It is time for the people of the world to re

negotiate the establishment of Israel on the basis of the principles promised to the nations of the world in 1947 and 1948 In this re negotiation the major goal must be the creation of a political system in the present state of Israel that guarantees independence of nations equal rights of all nations peace and humanity justice between the nations and ends the suffering of people of Palestine by abusive power of Zionists This book based on the beliefs of its author in a humane and just way to resolve the conflict in the Middle East suggests a bi national Federal system for a state consisting of nations of Palestinians Moslem or Christians and Jews under provision **God's Plan for Man and Planet Earth** Rev. Elton Yutzys, 2013-11-08

This book covers Pastor Yutzys thoughts regarding some theological issues from eternity past to eternity future from the creation of the first heaven and earth Genesis 1:1 to the new heaven and new earth Revelation 21:22 He rejects evolution but does not agree with the young earth creationists In eschatology he is premillennial but does not accept the doctrine of imminence Today we do not know the day of his coming but he believes if we know what we are to look for we will know the time when it arrives Christs coming will not be as a thief in the night to those who know what to look for regarding the rapture of the church The last part of the book covers his perspective on Gods special purpose for the church Israel and the Gentiles He gives his views on abortion tattoos cremation the lake of fire Gehenna outer darkness heaven the New Jerusalem and other topics relevant for the church today God Has a Plan and a Purpose for Your Life Oliver Summers, 2006-02 This book attempts to explain the plan and purpose of God for readers lives as a continuous cord beginning in eternity before creation of the earth and man then running through mans time on earth and then returning back into eternity Christian
