Rapture Pre Mid Or Post Tribulation:

Three Views on the Rapture Gleason Leonard Archer, 1996 This book explores three views on the Rapture Pre Mid and Post Tribulation **Post Trib rapture vs Pre Trib rapture** Harris Kakoulides , In this book the weakness of the pre tribulation rapture view is shown in abc order and shows why the post tribulation rapture view is the most accurate and Biblical view on the rapture **The Rapture: A Pre- or Post-Tribulation Event?** Colleen Wandmacher, 2017-03-17 God tells us not to be deceived about the timing of our being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth Chapter after chapter leads to the same conclusion the rapture will be a post tribulation event *Types and Shadows* Judith Lawson Dmin, PhD, 2022-01-31 The Ridiculousness of the Rapture The rapture which will occur when Jesus comes back for His Church is about the most outrageous and ridiculous teaching in the Bible But if God says it will happen you can be sure that it will There have been many discussions in Christian circles about when this will happen but the fact remains no one knows We are not told exactly when this will occur but we are given signs to know when we are in the right season The Lord is going to snatch us out of here before the devil knows what happened Make no mistake about it Jesus IS coming back He will come in the clouds for His bride the believing Christians to meet her in the air 1 Thessalonians 4 16 18 16 For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first 17 Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord 18 Wherefore comfort one another with these words Pre Mid or Post Tribulation When will the Rapture Take Place The tribulation is the catastrophic period prophesied in the Bible that encompasses a future seven year period when God will complete His final judgment upon unbelieving world citizens The rapture is what delivers believers from the wrath to come that is from the tribulation 1 Thessalonians 1 10 10 And to wait for his Son from heaven whom he raised from the dead even Jesus which delivered us from the wrath to come Some say this will occur before the tribulation some say three and a half years after the tribulation begins and some say it will happen at the end Believers today must be ever watchful and hopeful looking for the return of the Lord Jesus Christ Unfortunately there may be those professing to be Christians but really are not who have never repented continue to be unfaithful and will be left behind at the rapture But where is the rapture in Scripture In our journey through the Bible we see types and pictures of Jesus everywhere Every single passage of Scripture points to Jesus Christ To understand the New Testament you need to know the Old because what is concealed in the Old Testament is revealed in the New Solomon uniquely tells us something interesting with the following words Ecclesiastes 1 9 9 That which has been is what

will be That which is done is what will be done And there is nothing new under the sun This passage is a memo of sorts from the mind of God to the readers of His Word that He repeats things in history If it is recorded in His Word we can expect the same type of thing to occur sometime again in the process of redemptive history So can we assume that if the rapture is an accepted valid doctrine there could be types and pictures of it in other parts of the Bible telling us of things to come Then the question is if something is pictured in the Old Testament is it also seen in the New And can we determine by those types and shadows whether there will be a pre mid or post tribulation rapture The answer to all these questions is yes There are many accounts throughout the Holy Bible all of which point to a pre tribulation rapture Post Tribulation Rapture Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the return of Jesus Christ to Earth in relation to the final seven years of man s history Will there be signs of Christ s coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy **Three Views on the Rapture** Gleason Leonard Archer, 1996 Scripturally speaking the Rapture seems in regard to its timing to be more closely linked to the Tribulation than to any other event Since it will occur at the parousia of Christ second coming the question really becomes whether Christ will come back before during or after the Tribulation It is with this in mind that the authors of Three Views on the Rapture joined together to offer their explanations for the three major timeframes for the Rapture as it is related to the Tribulation All three authors are members of the Evangelical Free Church of America and all three teach at the denomination s seminary Trinity Evangelical Divinity School As they state in the preface All three of us are wholeheartedly devoted to upholding the clear truths of Scripture but we do not believe that the relative time of the Rapture is one of these clear truths Thus the radically divergent views offered in this book The format of this book is very fair and quite open Each author states their respective position and the others are given opportunity to respond Thus the reader is presented with a much broader picture of each position than a simple statement of the position might give All three authors are premillennialists they believe that the parousia of Christ will inaugurate the millennium but the divergence in their views shows in a good way that premillennialists are not all homogenous in their beliefs Richard Reiter begins the book with a short history of the development of each position regarding the timing of the Rapture Paul D Feinberg then offers his arguments for a pretribulation rapture Gleason L Archer

presents us with the arguments for a midtribulation rapture often called mid week in reference to the seventy weeks spoken of in the book of Daniel and Douglas J Moo gives us the arguments for a posttribulation rapture Each is able to show respect for the others arguments without compromising their own And if that was all Three Views on the Rapture offered a true spirit of respectful ecumenism it would be worth purchasing But it offers so much more because the combination of three voices on each position gives a much clearer and more cogent view which aids greatly in understanding Publisher End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22 5 **Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *Encyclopedia of Protestantism* Hans J. Bird,2013-10-29 Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure End Times Truth Bruce McKerras,2013-03-14 This is a book of great importance to all who seek to gain a true understanding of the end times events What is written it is not the authors ideas theories or fanciful notions It sets out the prophetic Word as given to us in the Holy Bible composed into short easily read articles along with other verses that help to explain the text We are now in the end times and at last it has become possible to see and understand what lies ahead for all of us I trust this book will help and encourage all who read it **The Source of Hope** John S. Hammett,2025-08-01 In The Source of Hope John Hammett crafts a detailed and accessible introduction to the discipline of eschatology 40 Questions about the End Times Eckhard J. Schnabel,2012-01-12 Benjamin L Merkle is professor of New Testament at Malaysia Baptist Theological Seminary and is the author of numerous articles which have appeared in journals such as JETS and Trinity Journal He earned his Ph D from Southern Baptist Theological Seminary where he wrote his dissertation on deacons and elders **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell,2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics **Understanding End Times Prophecy** Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place

According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

The End Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn t need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ
