Rascal Takes Off Big:

The Scallywags - Memories of a Rascal's 1950's Childhood Peter Stockley, 2016-07-07 Do you ever think about how the roads you walked as a child change the doors that open in your future In 1951 seven year old Peter Stockley s life was set down a dark path after losing his mother Her legacy to him was an optimism and spirit that even a vile step mother could not break and after an explosive confrontation Peter set off on a new journey via an orphanage to his aunt and uncle s home in a tenement block by the North Liverpool docks The Billogs It was here he became one of The Scallywags a group of streetwise young rascals who knew every inch of the canals docklands and railway lines With a turbulent home life intense family tragedy and a chronic heart murmur Peter had ground to make up in a golden age when children would play in the streets from dusk until dawn But with the Scallywags he had the run of the city Peter embarked on a youth of picaresque adventures clinging to the backs of speeding lorries treading the boards of bombed houses for firewood head spinning climbs up fivestorey block of flats nothing was out of bounds for the Scallywags But their adventures also gave him an iron clad sense of morality honesty and respect which would go on to shape the rest of his life This nostalgic deeply moving and often extremely funny memoir of youth and young manhood in the Liverpool of the fifties and sixties recalls the exuberant joy every child feels at being one of the gang and explores how the future can play out in very unexpected ways Dog Helps Those (Cozy Dog Mystery): #3 in the Golden Retriever Mystery Series (Golden Retriever Mysteries) Neil S Plakcy, 2023-10-19 It s almost time for graduation and Eastern College is in trouble A prominent alumna is dead and a faulty computer program is jeopardizing student records and financial aid It s up to Steve and Rochester to dig into the situation and retrieve the culprits Rita Gaines wasn t a nice person but she did love her dogs and most of her clients respected her financial acumen and her talent in training dogs for agility trials When she s found dead there s a long line of potential suspects from Wall Street whiz kids to doting doggie daddies including one of Steve s former students Felae is an art prodigy now studying with Steve s girlfriend Lili chair of Eastern s Fine Arts department and Rita hated his controversial senior project When she tried to have his scholarship cancelled he threatened to kill her But is he the villain behind her death In between helping Steve s high school friend Rick track the killer Rochester practices darting around weave poles and jumping over limbo poles while Steve helps shepherd the college toward the completion of another academic year It s spring in Stewart s Crossing and old friends and their dogs gather together to investigate and eventually to celebrate **Laugh or Cry** Peter Hart, Gary Bain, 2022-12-29 Awakened by great shouted oaths below Peeped over the side of the manger and saw a Belgian lass milking and addressing a cow with a comprehensive luridness that left no doubt in my mind that British soldiers had been billeted here before Private Norman Ellison 1 6th King s Liverpool Regiment Humor helped the British soldier survive the terrible experiences they faced in the trenches of the Western Front during the Great War Human beings are complicated and there is no set pattern as to how they react to the outrageous stresses of war But humor often dark and representative of the horrors around them could

and often did help They may have been up to their knees in mud and blood soaking wet and shot at from all sides but many were still determined to see the funny side rather than surrender to utter misery Peter Hart and Gary Bain have delved deep into the archives to find examples of the soldier's wit The results are at times hilarious but rooted in tragedy You have to laugh or cry *The Mystery of the Black Diamond* Donald Craig Miller, 2021-05-27 First century private detective Jake Jezreel is drawn into a mysterious case involving a rare black jewel The case begins rather simply with a request by James the head of the Jerusalem church to locate a missing fellow minister in the church This puzzling disappearance has the entire Christian church in Jerusalem concerned and praying for their missing pastor Soon the investigation for the missing person diverts Jake into a more elaborate course that of trailing after a jewel known as The Black Diamond Detective Jake Jezreel had never heard of The Black Diamond And yet this mysterious object will plunge him and his wife Hannah into an adventurous investigation like he had never experienced before What kind of power did this lustrous gorgeous diamond have over men How could it make men hate and attack each other to own it Will Jake be drawn into the powerful magnetic influence this black beauty possesses Only a nerve racking climax at the Hip podrome in Caesarea can bring the answers Jake is searching for *Maverick and Miss Murphy at Rascal's Rescue Ranch* Nucci Cento, 2009-08-01 Maverick and Miss Murphy are twin dogs with huge hearts But this brother and sister aren't quite like most dogs they both have a cleft palate that makes them look like they have two noses Kind hearted Maverick wants to be friends with the other dogs but they pick on him because he doesn't fit in Lucky for Maverick that his protective sister Miss Murphy is around to show him why he shouldn't worry about the mean dogs and that he is fine just the way he is Join Maverick and Miss Murphy at Rascal's Rescue Ranch for a heart warming tale that inspires children to accept the differences they find in themselves and in others *The Secret of the River* Charlotte Lewis, 2015-07-24 October 1911 the Condit Dam was completed and the Northwestern Lake began to fill the canyons of the White Salmon River October 2011 the dam was breached and as the water receded trees small farmhouses and other relics were slowly revealed Conan and Hillary Doyle purchased forty acres on the east bank of the White Salmon River when they married in 1907 and with endless determination created a farm that would sustain them for years to come In the fall of 1910 they were notified the lake behind the newly built Condit Dam would flood their farm property They ceded the farm to the State of Washington and vacated the property before Christmas 1910 In 2011 when the waters of the lake behind the breached Condit Dam receded human remains of two people were found in the farmhouse Conan and Hillary Doyle had built In an effort to determine who these skeletal remains were third generation Conan Doyle investigates and his findings evolve into a story about his grandparents By the end of the story the secret the river had hidden for a hundred years is revealed **Echoes of Newtown** Blake Fite, 2020-10-06 With the Shenandoah Valley Railroad now operational and the American Civil War lingering in recent memory narrator Billy Washita sets his heart on finding the secret to his past Along with his friend Rascal Billy follows where the railroad leads Along the way the two fatherless
