Abdul Kalam, 2017-08-16 It was like any other day on the Anna University campus in Chennai As I was returning to my room in the evening the vice chancellor Prof A Kalanidhi fell in step with me Someone had been frantically trying to get in touch with me through the day he said Indeed the phone was ringing when I entered the room When I answered a voice at the other end

said The prime minister wants to talk with you Some months earlier I had left my post as Principal Scientific Adviser to the Government of India to return to teaching Now as I spoke to the PM Atal Bihari Vajpayee my life was set for an unexpected change Turning Points takes up the incredible Kalam story from where Wings of Fire left off It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy It is a continuing saga above all of a journey individual and collective that will take India to 2020 and beyond as a developed nation Presidents of India & America with Britain's Kings & Queens Charan Lal Sahu,2018-07-02 Presidents of India

Dr. APJ Abdul Kalam the People's President Pawan Sikka,2016 Outlook ,2008-05-27 *President Pratibha Patil* Ritu Singh,2007 Herald it as the coming of age of woman power or shrug it off as mere symbolism to placate all and sundry the fact is that the glass ceiling at the highest level has been shattered Even so with the passage of time the novelty of having a woman President is bound to wear off and the sole benchmark to evaluate Pratibha Patil would be her performance as the first citizen of the country A seasoned politician and proven Congress loyalist Pratibha Patil has the unique distinction of having won every election that she has contested in the 34 years of her long political career Till recently Governor of Rajasthan she will need to muster all the skills honed in the rough and tumble of politics in the professional arena of the courtroom and in sports stadia to uphold the dignity and decorum of the hallowed office of the President of the country This book traces the journey of President Pratibha Patil from the small town of Jalgaon to the majestic Rashtrapati Bhawan on Raisina Hill as she assumes office as the twelfth President of India after one of the murkiest no holds barred presidential elections ever making history in the sixtieth year of India s independence *The Rotarian* ,2004-04 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **Scientist to President** Ramesh Chandra,2002

Bush United States. President (2001-2009 : Bush),2003 The Canon Of Judicial Ethics Vs corruption DR. K.V. SREENIVASAN ,2022-03-19 A man without ethics is a wild beast loosed upon this world Persons in Public life are expected to be moral exemplars of morality and ethics as they have pledged to uphold and defend that realm The French Nobel Prize winning Author and

Philosopher Albert Camus Especially the Hon Judiciary who are worshiped by the common man as equivalent to God should follow the normal ethics of common man and in addition should follow the Judicial Ethics There is no dividing line between their personal and public life Private lives of public figures like that of Judiciary are wide open to public scrutiny What they do in their private life matters and does impact their public responsibilities Can they be ethical in public if they are unethical in private The ethical private life only the foundation basis for the ethical public Judicial Ethics Their private life reveals more about morals than their sound bites For the society to progress and prosper we need to have individuals in public life with competence honesty dedication humility experience and selfless determination above all else Those in public life who expect others to observe the moral and ethical standards enforced in society must act as icons by rigorously following them first They must say what they mean and always mean what they say Their word must always be their bond Above all their actions must speak louder than their words They must always be judged on what they say and what they actually do and be transparent and accountable to those that they are privileged to serve Let we form the best Ethical judicial system in India Hence this book speaks all about that in detail Jai Hind Milestones Social Science □ 1 Savita Khanna, The Milestones series conforms to CBSE s CCE scheme strictly adhering to the NCERT syllabus The text is crisp easy to understand interactive informative and activity based The series motivates young minds to question analyse discuss and think logically
